ABOUT FARLINGAYE HIGH SCHOOL

When you come to work at Farlingaye you join a warm and hard-working learning community, where strong progress and personal development for all – staff and students – are highly-prized and actively pursued.

Our students are, overwhelmingly, happy to be part of Farlingaye, and engage very well with the many opportunities that the school provides for academic success and progression into the next phase of their lives. This makes teaching and supporting them a pleasure. Staff can take great satisfaction from seeing their input produce strong outcomes: exam results have been consistently excellent for many years, at both KS4 and KS5, and huge numbers of students have been enabled to access high-quality university courses or to pursue exciting employment or training opportunities.

There is a very wide range of extra-curricular activities available for students, and we strongly encourage all students to get involved with these in order to develop their social skills and self-esteem. We know that a positive and secure sense of self is vital for our students, and we use a wide range of methods to help them to feel good about themselves, and optimistic about their futures. Staff consistently drive the generation of these extra-curricular opportunities because they can see the benefits for every individual student and for the community as a whole.

At Farlingaye, we are fortunate to be able to draw on the invaluable input of engaged parents and a well-established Governing Body. Their contribution to the development of our students is a powerful support on which staff can rely. Our staff body is skilled and experienced, but never complacent. We know that we can always be better, and staff are reflective, determined and hugely supportive of each other's work to improve and develop. In this way, they are both excellent role models for our students and the best possible resource for each other as we seek outstanding learning for all. I look forward to welcoming you to our school in person and in sharing our pride in all we do.

Dr Sievewright, Headteacher

Teaching & Learning

Teaching and Learning is at the heart of all we do here at Farlingaye. We want our teachers focused on delivering innovative and engaging lessons that help foster a love of learning for all students. The new Teaching and Learning Policy was developed by staff and designed to reflect this aim, tying together the strands of excellence that are prominent in teaching across the school. This policy has been implemented this term, allowing faculties time to adapt and tailor their approach in lessons to suit their subject area. To support this focus, CPD this year at the school is centred upon providing expert support on the key areas and to give extra time for departments to fully embed the new approach. CPD and appraisal are closely linked at the school and teaching staff targets reflect the implementation of the new policy. To monitor Teaching and Learning within the school all teachers are observed at least twice, as well as use of peer observations and a popular “Open classrooms” fortnight to encourage the sharing of good practice.

School Site

There has been a school on the site since 1953 when Woodbridge Secondary Modern opened. Farlingaye opened in 1988, and the school site has been gradually developed and extended since this date. The school currently consists of five main buildings, each housing well-maintained classrooms and specialist learning spaces as well as a large Sports Centre and separate Main Hall. The Sixth Form have their own block, containing a common room, study area, separate cafeteria and there is ample outside space including playing fields, a floodlit all-weather pitch and staff parking. The school is just reaching the end of a multi-stage project over several years to replace and restore the flat roofing around the site. A redevelopment of one of the drama spaces and upgrades to a music room are planned for later this year.

Pastoral Care

Farlingaye High School is organised into distinct year groups in terms of its pastoral structure. Each year group has a Year Learning Coordinator and two Assistant Year Learning Coordinators. There are eleven tutor groups in each year and tutors are managed by the Learning Coordinators in terms of daily pastoral care and tutor time activities. Students generally stay in the same form group between Years 7 and 11, and will have the same form tutor. Learning Coordinators work with tutors to be the first point of contact for parents and carers. For each Key Stage, there is an Assistant Headteacher who supervises and supports their respective year teams. Behaviour, both positive and negative, is recorded on the school's SIMS system, so early intervention can be conducted by the Learning Coordinators.

The year teams are supported by the SEND department which includes a SENCO, HLTAs and a large number of Learning Assistants who support students in a variety of ways – from day to day classroom support, to the provision of additional programmes of targeted support and parent/carer liaison. The department includes a number of members of staff with a variety of expertise that allows them to focus their intervention supportively.

Working alongside the year teams and SEND department is the Behaviour Support Team. They work in our Student Support 'Hub' and consist of an Inclusion Facilitator who is also a Thrive Practitioner, a Behaviour Support Assistant and an Inclusion Administrator. They help students on a daily basis with one-to-one nurturing support, mentoring, individual behaviour plans and Thrive. The team also work with the Assistant Headteacher with responsibility for behaviour and inclusion. This Assistant Headteacher also has oversight of alternative provision and the home tutoring programme.

Farlingaye has a Safeguarding Manager, who works closely with all teams in the provision of support with oversight from a Deputy Headteacher who is the Designated Safeguarding Lead. The team provide support for LAC/PLAC students and those students who require mental health or safeguarding support. There are two members of staff who work with the Safeguarding Manager to further support students and families and provide administrative support. The school also employs a Family Liaison Officer to support with improving attendance of vulnerable students.

Extra Curricular

Enrichment at Farlingaye High School is a key part of the schools identity. The PE department actively encourages all students to regularly participate in lunchtime and after school clubs in everything from traditional school sports such as football and netball to table tennis, running and fitness clubs where everyone is welcome. We are one of the top performing schools in Suffolk for sport. The school is represented at local, county, regional and national level by teams in Athletics, Netball, Rounders, Cricket, Football, Rugby, Handball, Basketball, Tennis, Hockey and many other sports. We pride ourselves on our high levels of sportsmanship as well as competitive spirit.

The Arts are highly valued at Farlingaye with a strong musical tradition, these include upper and lower school productions, concerts and a Mini-Fest where students showcase their musical talents and an annual Christmas Concert at St Mary's Church. Students are able to take extra tuition in Drums, Brass, Guitar, Woodwind, Piano and singing and many students use practice rooms to rehearse with their bands at lunchtime and after school. Every two years the Music department runs a music tour abroad, most recently to Italy.

The school also runs a full range of weekly extra-curricular activities with over 80 clubs a week taking place. These currently include STEM Club (Science, Technology, Engineering and Maths), Books and Breakfast, Music and Drama clubs, Wellbeing club, Homework Club, Singing Choir, Christian Union, LGBTQ+, French Club, Art drop in and Art and Photography Club.

The Duke of Edinburgh's Award scheme is undertaken from Years 9 to Year 13 and many of our students go on to achieve bronze, silver and gold awards, with expeditions taking place in the Spring and Summer terms.

Sixth Form

Farlingaye Sixth Form is Outstanding. Our students say that Sixth Form is one big happy family. Students in the Sixth Form achieve highly and progress on to fantastic post Sixth Form destinations, including University, Degree Apprenticeship programmes both locally and nationally, apprenticeships, employment and Further Education.

Farlingaye Sixth Form currently has 403 students on roll. This academic year we had forty five students who joined us from other providers specifically for Sixth Form.

All students study three A levels/Level 3 qualifications and are taught our enrichment programme over two years. A small proportion of students will start on four A levels. In Year 13 students can choose to complete the Extended Project Qualification.

Sixth Form students are part of our whole school community. Taking the lead in shows, raising money for charity, promoting and supporting all school events. Students are wonderful ambassadors for the school, they support students in lower school via Buddy Mentoring, the Student Hub, our 'adopt a teacher' programme, reading club and numerous other opportunities to act as role models for all students.

Careers

We are very proud of our innovative careers education programme that utilises a series of different delivery models, including tutor time sessions, curriculum information sharing and the UNIFROG digital platform. Our Careers Lead is supported by an administration assistant and a Careers Advisor, and working with the PHSE Lead, the programme is integrated across the curriculum. Supported by a number of events, the programme includes a Careers Convention for Year 10, mock interviews for KS4 students, Pop-up Careers Stands throughout the year, visiting speakers from the locality and a biannual Careers Fair. Our rate of NEETs is very low and we have an excellent record of progression, both in the main school and Sixth Form.

Our Curriculum

All students at Farlingaye have access to a full range of subjects and developmental experiences. Our aspiration is a curriculum that allows learning for all. Adapting what we do to suit our students is integral to our curriculum design. All subjects at Farlingaye are of equal value whatever the timetable allocation given to them.

Students undertake the full range of Key Stage 3 subjects until the end of Year 9, and choose their options in late February, ready to commence KS4 programmes of study in Year 10. Students have 4 options, of which at least one must be an EBacc 'bucket' qualifying subject. The most popular option subjects at Key Stage 4 are Geography, History, and Business Studies. We offer vocational KS4 courses in Child Development and Education, Health and Social Care, Sport Studies, Travel and Tourism, Music Practice, and Digital IT, alongside a very broad range of GCSE subjects.

At Key Stage 5, the vast majority of students follow 3 x 2-year courses. We offer a range of A Level subjects, vocational Level 3 courses. Alongside their Level 3 studies we deliver a taught enrichment programme, and in Year 13 students can choose to complete an EPQ.

Our Results

GCSE results at Farlingaye have always given a significantly positive Progress 8 score with most measures being consistently above national averages.

In 2022 the Attainment 8 score is 50.7 with a Progress 8 score of 0.16.

At Key Stage 5 the results have also been consistently well above national averages leading to an ALPS 3-year T score of 2. Many subjects regularly score in the ALPS red zone for progress.

Parents get regular reports on progress across all years. Attainment data is collected through a combination of ALPS, 4Matrix and our own systems in order to produce report summaries for year coordinators and subjects leaders 2 to 3 times each year.

Developing Professionals with Integrity & Autonomy

We feel that the size of Farlingaye offers the perfect context to provide development opportunities for our staff. We are well aware that our greatest resource is the people who work here, and that quality in the classroom and high standards in the wider school can only come from appointing the right people and then providing opportunities for staff to grow.

We are proud of the CPD routes on offer in school. Our in-house programme is bespoke to staff, and is flexible enough to be tailored to support both those new to the profession and colleagues who have been teaching for a sustained period of time. We also run a range of development programmes to ensure that colleagues at all levels have the chance to progress.

In the last few years these programmes have included:

- Our ECT induction programme: led by our Professional tutor and supporting those entering the profession.
- A 2nd and 3rd Year teacher programme: offering for those still developing in their career a chance to work alongside theirs in both our school and neighbouring ones to share good practice, learn through CPD and also focused project work
- Aspiring Middle Leaders and Secondment opportunities to leadership team: both designed to give a taste of leadership and a chance to take on wider responsibility

As well as our in-house programmes, the school supports colleagues through the National Programme of NPQs as well as enjoying the opportunities to offer joint CPD from within the EAST MAT.

There is also a range of progression opportunities within the school. Over 60% of teachers hold a position of paid responsibility across a range of areas such as subject leadership, pastoral care, extra-curricular provision or helping to support wider school issues. We feel that these opportunities are one of the reasons for our high staff retention, and we are proud that staff who come here are happy and thriving in the roles that they do. Whilst national statistics show a gloomy picture of those leaving the profession (over a third leave teaching within the first 5 years according to a recent study) at Farlingaye we are pleased to go against the trend, with 95% of the 15 staff new teachers appointed in the last 5 years still in teaching. Of those still at Farlingaye, 88% hold a promoted post.

We value our staff greatly and support them in a variety of ways which include the Employment Assistance Scheme, and a genuinely compassionate approach to all those in the school community.

- Staff children are prioritised for school places at Farlingaye even if you do not live within catchment.
- Staff have 24-hour access to our Employee Assistance Programme including free counselling, financial and pensions advice, legal advice, home and well-being support.
- All staff have complementary access to excellent gym facilities and we enjoy close ties with a local health club who offer staff a generous discount on membership.
- Complimentary physio at a local provider
- Complimentary access to flu vaccinations every year.
- Access to salary sacrifice scheme (for existing members) for additional support in childcare costs.
- Professional development and bespoke CPD package for every member of staff including external and internal courses.

- Training is scheduled across the whole year, so staff know what is happening and can select opportunities that are most relevant to them.
- Each department has their own administrative support to cut down on unnecessary admin tasks for teachers
- We welcome applications from colleagues who would like part-time or job shares. Flexibility keeps good teachers in the school.
- All our recruitment processes are open and transparent. We develop leadership positions and undertake shadow-staffing and succession opportunities to encourage and invest in our staff to gain promoted posts within our school and elsewhere.
- Opportunities will be offered to staff to undertake developmental roles / work across our academies in the East Anglian Schools Trust if they choose to.
- Our appraisal is developmental and constructive.

Our Culture and Ethos

At Farlingaye we are rightly proud of the fantastic results that our students achieve, but we realise there is more to school than examinations and strive to ensure that all our students find school a memorable, formative and engaging experience that prepares them for

- Teaching and learning is at the heart of all we do. We want all our teachers focused on developing their craft in the classroom to ensure lessons are engaging and stimulating for learners.
- To support this, CPD has a huge role in what we do. Our in-house CPD programme is rich and varied, bringing in the best practice and latest research to support our staff grow. We offer bespoke routes through our CPD programme to develop staff at all levels.
- We teach just three lessons a day and staff have a maximum of 84% timetable, with ECTs teaching less than this.
- Meetings are kept to a minimum after school. Teaching staff without responsibility within the school attend only 11 meetings a year outside of the school day.
- Lesson observations are for the purpose of teacher development and sharing of best practice. We discuss how to get better.
- Team Rooms for all departments help build supportive collaborative relationships and facilitate shared planning time.
- There is no prescribed template for lesson planning. Our Teaching and Learning Principles focus on Subject Knowledge, Challenge, Modelling, Review & Retrieval, Questioning and Feedback.
- Students value being a member of our community. They take pride in being a Farlingaye student, and we work closely with our supportive parent body.

Our Community & Local Area

Farlingaye is a creative school with excellent resources, lovely students and great results. We are part of East Anglian Schools' Trust (EAST) alongside Kesgrave High School, Bungay High School and Castle EAST School.

We have been graded Good in our 2022 OFSTED and aim to achieve Outstanding again. We are a Teaching School Hub partner, which allows us to improve teaching and learning on a continuous basis. We are committed to providing excellent staff opportunities through developing and promoting our staff and offering an excellent CPD and support programme for new staff.

We are also extremely pleased to have launched EAST's own teacher training provider: EAST SCITT. This allows us to award QTS and also QTS + PGCE Programmes within both Primary and Secondary schools.

Our Location

Our Location: Farlingaye is located in Woodbridge, an idyllic market town situated on the River Deben in Suffolk. In 2021, The Times newspaper placed the town at the top of the list of best places to live in the East of England, with judges having described it as 'arty, creative and historic'.

The school enjoys a prominent role in the local community, with strong ties to the town through arts, music and sport.

EAST Vision

Who are EAST?

EAST was established on 1 September 2019. At its inception, three secondary academies were formally partnered together: Bungay, Farlingaye and Kesgrave High Schools. In 2020, we applied to establish a Free Special School in Bungay, for children with interaction and communication needs. Demonstrating our commitment to local, inclusive education, we are proud to announce that Castle EAST School is open. EAST SCITT, our 'School Centred Initial Teacher Training' is an accredited Provider offering secondary (11-16) and primary (5-11) school-based initial teacher training awarding Qualified Teacher Status (QTS). We see this as the most effective way to find and develop future teachers to work in this vibrant county. We are delighted with the popularity and quality of EAST SCITT!

We are very confident that EAST will create a stronger future for our schools and continue to improve outcomes for our students. It is through a commitment to working together that we will continue to collectively and individually achieve great things, providing a first-class educational experience for our students and an excellent working environment for staff.

Our Vision: Where everyone can achieve

We measure our **success** through a combination of **performance**, **growth** and **happiness**, as individuals and collectively.

Our **cornerstones** are the foundations of our vision; they underpin all that we do and shape the way we work with everyone in our trust and our extended educational community; from parents & carers to partners, suppliers and local government.

#1 Learning

We will continually strive to deliver the best possible experience for quality learning and personal development for everyone at EAST through our curriculum, engaging teaching, the resources & support we have available and the quality of the physical environment in which we work.

#3 Opportunity

We exist to enable everyone in our schools to realise their true potential through an academic or professional experience within our schools that achieves the outcomes they seek. We do not believe there is a one-size-fits-all for success and achievement and will always do our best to support the aims and ambition of the individual.

#2 Inclusivity

We believe a great quality education, opportunities for personal development and participation should be available to everyone regardless of their personal circumstances. That's why our schools today already cater for many specialist needs and our trust is committed to developing the teachers of the future.

#4 Community

We are a significant contributor to our local communities, we understand the role we play and will always seek to enable everyone at EAST to be considered, active, positive citizens of the world around them. Our sense of community begins in our schools and we nurture a respectful, supportive culture.

JOB INFORMATION

TEACHER OF HISTORY

SALARY RANGE:

MPS - UPS

REPORTS TO:

Head of Humanities

JOB LOCATION:

*Farlingaye High School,
Ransom Road,
Woodbridge*

This post is a full time or part time temporary appointment, required from September 2023 for one year, to teach History within the Humanities Faculty. We are offering an exciting opportunity to an enthusiastic teacher to begin or enhance their career as part of a dynamic team. Alongside teaching your core subject, there may also be a requirement to teach outside of your subject area across the faculty.

History is a strong academic subject and forms an important part of the school curriculum. Our students find it stimulating and enjoyable as witnessed by the consistently excellent take up at GCSE and at 'A' level; and by impressive exam results at KS4-5. A significant number of our students go on from Sixth Form to take distinct Humanities subjects at university and other subjects related to the courses we offer.

History has an important part to play in the school's curriculum. It offers students a window on world events over time and brings meaning to their wider context. The History curriculum aims to offer a broad balance of historical events, perspectives and skills that will offer a basis for students to understand the increasingly complex world around them. We aim to encourage our students to become enthusiastic historians, to build their confidence as decision-makers based on the development of a range of analytical skills using historical evidence. We offer a wide-ranging curriculum, covering a variety of historical periods and themes using a broad spectrum of learning opportunities both within and beyond the classroom. Our main focus is to engender a love of learning about our past and develop skills that will benefit them in their future lives

The person appointed will be assured of considerable support; we are a very successful, enthusiastic, hardworking faculty who are keen to share ideas and the principle of mutual professional support is paramount. Farlingaye provides an excellent support programme for newly appointed staff with an innovative CPD programme and lots of opportunities for development. The post would be suitable for both an ECT or for an experienced teacher.

The Humanities Faculty

In Humanities we aim to develop an enthusiastic, progressive and challenging learning environment for all students, by providing interesting and stimulating lessons and using a range of engaging teaching & learning styles, both inside and outside the classroom. We will enable students to investigate and understand the world's past and present, in order to make them better citizens and decision-makers for the future.

The Humanities Faculty consists of Psychology, History, Geography, Politics, Criminology, PRE (Philosophy, Religion & Ethics) and Sociology. Individual subjects are important in their own right, but faculty identity is strong. The Humanities Faculty accommodation and facilities are good. Humanities subjects are generally taught in their own purpose-built block, where we have subject specific classrooms and excellent ICT provision.

The faculty seeks to employ the Humanities to:

- develop and extend students' understanding of the world and its diversity;
- make a significant contribution to students' spiritual, moral, social and cultural development;
- help students to understand their roots as individuals and as members of larger social groups, whatever their ethnic and cultural background;
- help students to come to terms with their own hopes, fears, beliefs and achievements by seeing them in the wider context of the hopes, fears, beliefs and achievements of other people past and present.

At Farlingaye, we are proud of the role the Humanities plays in the KS3, GCSE and A Level curriculum. The Humanities Faculty at Farlingaye High School consists of hard-working, well-qualified and very friendly group of teachers who want the Humanities subjects to be seen as lively and exciting. We are proud of the way we work together as a team, sharing good practice across the faculty, writing schemes of work together in departments and generally supporting each other. We are at the forefront of developing the use of new teaching and learning strategies to enhance student progress, which makes the department a very stimulating and enjoyable place to work and learn.

Interview Lesson

If you are invited for interview, you will be asked to teach a lesson: -

TIMING: 40 minutes

STUDENTS: approx. 26 Yr 7 students

TOPIC: **'A picture says a thousand words'**

For any historical period/event/topic/theme of your choice, develop an original stand-alone lesson using pictorial sources which develops source analysis skills.

NB: We cannot give prior information about particular students and their learning needs within any teaching groups.

The lesson will be taught in a standard classroom with a whiteboard and data projector linked to a laptop. If you require the use of one of our laptops, please let us know. Other resources are available on request.

We will also undertake reasonable amounts of photocopying if required.

If you would like to discuss your ideas, request the use of a laptop and/or organise any other resources, please contact Nick Webb, Head of Faculty at the school on 01394 385720 before the day of your interview or email: nwebb@farlingaye.suffolk.sch.uk

When watching candidates teach their interview lesson, we look for the following qualities:

- Strong subject knowledge
- Effective questioning and capacity to engage students with the subject matter
- Ability to be flexible and adapt to student needs rather than adhere rigidly to the lesson plan
- Good use of the formative assessment that enables them to be a responsive teacher
