

## Teacher i/c KS5 Mathematics The Green School for Girls

Dear prospective candidate,

Thank you for your interest in applying for the above post at The Green School for Girls. The Green School for Girls, established in 1796, is a highly successful school with an excellent reputation and is one of two schools run by The Green School Trust – a Church of England Multi Academy Trust serving the young people of West London. The Trust's core purpose is to develop schools which expand the hearts and minds of students within supportive, inclusive, multi-faith environments founded on Christian values. The motto for The Green School for Girls is "Let your light shine" (Matthew 5:16) and serves to illustrate our belief that everyone has the potential to achieve and excel. We are very proud of our consistently strong student progress which we achieve whilst offering a broad, balanced and enriching curriculum.

The Trust intends to appoint an aspirational and dedicated Teacher i/c KS5 Maths who will drive standards of excellence, curriculum development and pedagogical approaches which will inspire and motivate students. As a Teacher i/c KS5 Maths you will be supported by the Head of Department to fulfil your role and you will work across the Trust Sixth Form consortium. You will plan and develop learning experiences which will foster a culture of high expectations, achievement for all and care for each individual within a dynamic learning environment where each student will be stretched, stimulated and supported to make excellent progress.

Maths is taught by an experienced staff team who are committed to collaboration, sharing good practice and peer support. Our vision as a Trust is to be a centre of excellence for Mathematics that allows for an exciting and progressive environment in which to work and develop for both staff and students. Students at The Green School are a pleasure to teach, and they relish the opportunity to take part in mathematical challenges. With the expansion of the Trust Sixth Form in September 2022 the number of students studying maths and further maths has grown significantly.

We value our staff and we work collaboratively to provide professional support, C.P.L. and the sharing of good practice across both The Green School for Girls and The Green School for Boys. Staff are involved in all aspects of school life and contribute to the ethos and co-curricular life of the school. This is an exciting time to join the Trust as it continues to grow a strong sixth form consortium offer across its schools.

To apply you should complete the TES application form and write a supporting statement explaining how your professional experience has prepared you for the role with reference to the person specification and job description.

If you would like to visit the school please contact my PA Julie Hart [j.hart@tgstrust.com](mailto:j.hart@tgstrust.com). I very much look forward to receiving your application.

Yours sincerely,

Mrs Sally Yarrow
