# An introduction to Pioneer Educational Trust

Welcome to Pioneer Educational Trust. As Co-CEOs, we are proud to lead our family of schools and would like here to provide you with a short history of our organisation, our school improvement model and our ambitions for the future.

## Our journey

Pioneer Educational Trust is a small multi-academy trust in Berkshire serving children and young people aged 3 to 18.

Pioneer Educational Trust (then Upton Court Educational Trust) was first established in January 2014 when Upton Court Grammar School in Slough sponsored Foxborough Primary School. Foxborough Primary School had, in June 2013, been put in special measures by Ofsted. In November 2016, Trevelyan Middle School joined our MAT. Following a school improvement journey in both schools Foxborough Primary School was judged as a Good school by Ofsted in May 2019 and Trevelyan Middle School judged Good with Outstanding for Behaviour and Attitudes and Personal Development in October 2019 following twenty years of Requires Improvement judgements. Upton Court Grammar School continues to perform in the top 3% nationally for P8. We are incredibly proud of our schools' achievements and the strong relationships that exist between them.

*"Trustees of the multi-academy trust (MAT) have a clear vision for the school. They work closely with governors and leaders to ensure that teachers' workload is manageable. Leaders enable subject leaders and teachers to work with others from across the trust to develop expertise. The chief executive officers of the MAT support leaders well to ensure that high standards are maintained." (Ofsted report, Nov 2019, Trevelyan Middle School)*

*"The MAT has played an instrumental role in supporting the school's improvement. The MAT has also wisely given the well-being and professional development of staff a high priority. This has helped to stabilise staffing after a period of some turbulence. Collaborative working with other schools within the MAT, and the provision of high quality professional training and support, have led to sustained improvement." (Ofsted report, May 2019, Foxborough Primary School)*

## Who are we?

We are a values-led, evidence-informed organisation that acts in line with our commitment to provide all pupils with equal access to an outstanding education. Driving equality and celebrating diversity is at the heart of what we do - our schools are diverse learning communities with their own unique contexts and needs, which we celebrate and draw strength from.

Pioneer Educational Trust is outward-facing demonstrating a commitment to both the local and educational communities. Upton Court Grammar School is part of the Slough Teaching School Alliance working in collaboration with local schools to offer Initial Teacher Training and leadership development. In RBWM, Trevelyan Middle School works meaningfully with the Windsor Learning Partnership. A number of colleagues are Specialist Leaders in Education and contribute to school improvement work across the boroughs and beyond. In addition, colleagues lead or engage in a wide range of networks locally and nationally, for example, Whole Education, DiverseEd, WomenEd, LGBTed, DisabilityEd and BAMEed, and local subject networks.

Pioneer seeks to shape the educational landscape and is unapologetic in promoting its core aims more widely.

## School improvement

We invest in our workforce so that, in turn, the workforce invests in our learners. We seek to add value, not just act as another layer of monitoring and accountability. As such, our school improvement model is underpinned by a commitment to: inspire collaboration within, between and beyond its schools; provide exceptional system leadership; and, deliver wide-ranging, high-quality professional development opportunities that enable all colleagues to grow professionally and personally. Our systems for monitoring and accountability are both humane and robust; they ensure that high standards are set and maintained, and treat professionals as professionals. We adopt a coaching 'way of being' and apply the principles of vertical leadership development through our policies, procedures and practices.

#### Our school improvement model is based on four facets:

- Our **pioneering model for excellence in CPDL** is underpinned by the Trust's four values Providing excellent CPDL is at the heart of our school improvement model and we aim to provide personalised, meaningful, high-quality growth opportunities for all.
- Pioneer's **WorkWell strategy** seeks to reduce unnecessary workload and promote staff wellbeing. We believe in treating our colleagues as professional adults who are encouraged to make positive choices in identifying how to manage their workload, how to achieve work-life balance and how to support their own wellbeing.
- Pioneer believes firmly in the power of collaboration and partnership working enabling all colleagues to contribute meaningfully to school improvement. Our approach to school-to-school collaboration and system leadership enables engage to work constructively and productively in partnership with one another and drive school improvement in all its guises.
- Pioneer sees itself as providing more than just another layer of accountability. Our systems for quality assurance and peer review are both humane and robust, ensuring that high standards are set

### Continuing professional development

Pioneer Educational Trust aims to be the employer of choice as a result of its commitment to professional development for all staff, a positive and enriching working environment and outstanding leadership development opportunities. We invest heavily in professional development for all colleagues and seek to provide the 'proper conditions' through which 'unimagined resources of creative human energy'<sup>1</sup> can be released strengthening the culture of self-responsibility<sup>2</sup>. Key components of our CPDL model include:

- Our **appraisal** policy that provides a lynchpin to other structures and systems, including our QA / QI model, programme of CPDL, etc. Through rebalancing appraisal on development rather than accountability and applying a coaching approach, we create a deliberately developmental organization in which all can thrive.
- **CPDL Wednesday**. From September 2019, the school day at all Pioneer schools was changed to finish one hour early each Wednesday providing departments and teams with increased opportunity for collaboration and professional development.
- **QI entitlement**. Our QA system is complemented by personalised and bespoke development opportunities for every member of staff including an 'entitlement' to Quality Improvement the purpose of which is to provide teachers, TAs and HLTAs with the opportunity to engage in coaching, reflect on and debate the ways they teach, and feel deeply involved in their own professional learning.

### What we offer

Pioneer Educational Trust provides a number of operational services to each of our academies. Managed centrally, by our Central Team, these are designed to help ensure the smooth running and operation of each of our academies. These services include Facilities, Health & Safety, Finance, IT and HR. Centralising core operational functions allows the leaders in our academies to focus on the teaching and learning environment, all the while knowing that there is team of specialists on hand to support and lead with the 'back-office' functions. Sharing these services across our Trust provides financial security for our academies and while the Director of Finance has the overview of all financial matters and is expected to provide savings through procurement, income generation and efficiency, at local level, schools still make decisions about how they spend their own budget.

### Where next?

This is an incredibly exciting time to be joining our organisation! We are about to embark on a three-year strategy that seeks to pioneer and push the boundaries beyond that of a typical MAT. If successful, you will be instrumental in realising these ambitions alongside us.

If you believe in driving equality, usualising diversity and championing inclusion, if you want to challenge socio-economic disadvantage and make a lasting difference to our community, if you believe in the power of collaboration and seek to invest in your own and other's continuing professional growth, then Pioneer Educational Trust may very well be the MAT for you.

## **Our School**

Foxborough Primary School is a one-form entry primary school with just over 200 pupils aged 3-11. Our school is guided by our core principles:

### **Responsibility**

We are responsible for our actions, our school and our community.

### **Open-mindedness**

We are open-minded to listen and see things from others' points of view.

### **Challenge**

We challenge ourselves to learn and improve.

### **Kindness**

We are kind to ourselves and others.

### **We ROCK!**

### **Our mission:**

**We are a small school with a big heart. We are role models who build supportive relationships with our pupils that create independent, responsible learners who are open-minded. We provide challenging opportunities so that every pupil can reach their full potential, driven by our passion for education and kindness.**

## **Our Team**

We have energetic and dedicated teachers, middle and senior leaders and are committed to the principle of 'teachers as leaders of learning'. Our commitment to high quality professional development seeks to provide the highest standards in all aspects of our practice. The school supports the training of PGCE students from Brunel University, Reading University and many more. Teachers new to the profession are supported by an Induction Tutor, an ECT Coordinator and undertake an innovative programme to help them thrive.

Teachers and support staff take ownership of their own professional development. The school has supported a number of teachers who have undertaken Masters degrees, NPQML, NPQSL and NPQH programmes. In addition, the school has also supported and funded unqualified teachers who wish to secure Qualified Teacher Status (QTS). A number of support staff have also been supported by the school in achieving recognised qualifications in HR, Finance, Accounting and Catering.

Full time teachers engage in 18 hours of CPDL through the course of the academic year and the school has dedicated time each week to CPDL. A proportion of CPDL time is self-directed to give teachers the autonomy to direct their own development.

## **Our Partnerships**

Through our membership of the Slough Primary Heads Association (SPHA) we have strong relationships with all of the local primary schools in Slough as well as wider relationships with the University of Reading, Brunel University and the Institute of Education. In addition, the school is a member of a number of national networks including PiXL, WomenEd, LGBTed, BAMEed, Ambition School Leadership and the Future Leaders Programme.

Throughout the year we also hold many parent workshops in order to provide information about how parents can support their children at home. More recently, we have become the base for Pioneer Family Partnership, a registered charity which has allowed our school to facilitate and launch a programme of events for the local community, such as ward surgeries as well as fairs, festivals and fitness sessions for adults and children.

### **Our Facilities and Benefits**

The original school building dates back to the 1970s. The school has already made significant changes to our facilities including the opening of Foxborough Farm in 2021. The Farm is now the home to pygmy goats and chickens. The children care for our animals taking turns to feed, muck out and tend to them. The schools also has a Reading garden, outdoor classroom area, trim-trail, a huge pirate ship, a fantastic outdoor gym, multipurpose climbing walls, football and basketball/netball areas and a running track.

The school offers free refreshments to staff during the school day, complimentary lunches at Christmas and at the end of the school year. The Trust also provides an Employee Assistance Programme to all staff within the Trust Schools. Through this, staff can access support and advice on any number of things such as wellbeing, work-related issues, housing, family, financial and legal support. There is also an employee benefit scheme which offers savings and discounts across a number of well-known retailers and services. Staff across the Trust can also receive a free, annual flu vaccination. The Trustees are also active in recognising years of service for staff. Service is designed to reward loyalty to the school and recognises those who have accrued between 3 and 30 years of service.

### **Our Location**

Foxborough Primary School is located just outside of West London. There are direct bus and rail links to Windsor, Maidenhead, Reading and London. The school is also very close to the M4 and M25 motorways and Heathrow Airport providing national and global connections. Furthermore, due to improvements being carried out by Network Rail, Crossrail links now provide quicker direct access to Central London.
