St Paul's Way Trust School is an All -Through School, serving a diverse community of children and young people aged 3 to 19. We are looking to appoint enthusiastic individuals to join our Lunchtime Supervisory Team at the Primary School, working with our children from Early Years to Key Stage 2.

The Primary School opened in September 2014 and has recently moved into brand-new purpose-built accommodation. The school has grown each year, making this is an exciting time to join St Paul's Way Primary!

We have recently re-developed our Early Years Outdoor Learning space and are working towards our Rights Respecting School Award.

The role requires you to help supervise and take responsibility for the health, safety and security of children during lunch times. We are looking for enthusiastic individuals who can support children effectively during their lunchtime and support them in their play.

An excellent understanding of caring for children and the ability to role model manners and language to support children during lunchtime are essential.

Successful candidates will have a passion for working with young children and enjoy planning and participating in extracurricular activities, as well as supporting children to make healthy choices. The ability to work effectively as part of a team for the benefit of the children is also required.

If you would like to play your part in taking provision for our students to the next level, and leading students and colleagues to achieve the best outcomes possible, we would very much like to hear from you.

Please note, we do not accept CVs alone
