Qualification Type: Degree plus teaching certification with passport from UK, Ireland, US, Canada, New Zealand, Australia, South Africa or Singapore (**For Work Permit purposes**).

About Cloudland Kindergarten: Cloudland Kindergarten is a vibrant and progressive educational institution dedicated to providing a stimulating and inclusive learning environment for children aged 2-6 years old. Grounded in an inquiry-based approach and learning through play, we prioritize holistic development and nurture a passion for language acquisition, particularly in English language and phonics.

Job Description:

We are currently seeking a dedicated and enthusiastic Kindergarten Phonics & English Language Specialist Teacher to join our team. This role involves collaborating with international homeroom teachers to "push-in" to Chinese pathway classes, where you will provide instruction in English language and phonics to kindergarten students. The ideal candidate will possess a strong foundation in phonics instruction and English language teaching, coupled with experience working with young learners in an international setting as either a homeroom teacher or engaging specialist teacher.

Key Responsibilities:

1. Collaboration with Homeroom Teachers:

- Work closely with international homeroom teachers to understand the curriculum and learning objectives for the International pathway classes and adapt this to deliver in the Chinese pathway classes.
- Collaborate on lesson planning and integration of English language and phonics into classroom activities.
- Communicate effectively with homeroom teachers to ensure alignment of teaching strategies and student progress tracking for portfolios and reporting.

2. Phonics Instruction:

- Develop and implement engaging phonics lessons tailored to the needs of kindergarten students.

- Utilize a variety of instructional strategies, resources, and materials to support phonics learning.
- Assess student progress in phonics skills and provide targeted interventions as needed.

3. **English Language Teaching:**

- Create an immersive English language learning environment for students, focusing on speaking, listening, reading, and writing skills during your lessons and provide homeroom teachers with resources for follow up practice of language.
- Deliver interactive and communicative English language lessons that cater to the diverse needs of kindergarten learners.
- Integrate language games, songs, and activities to enhance language acquisition and fluency.

4. **Classroom Integration and Support:**

- "Push-in" to Chinese pathway classes to provide English language and phonics instruction in collaboration with homeroom teachers.
- Support classroom management and student engagement during English language and phonics lessons.
- Provide guidance and assistance to homeroom teachers in implementing effective language teaching strategies.

Qualifications and Skills:

- Bachelor's degree in Education, English, Linguistics, or a related field.
- Teaching certification or qualification such as pgce or equivalent.
- Minimum of 2 years of experience teaching phonics and English language to kindergarten or early years students.
- Strong understanding of phonics instruction methodologies and best practices.
- Experience working in an international school setting.
- Excellent communication and collaboration skills.
- Ability to adapt teaching strategies to meet the needs of English language learners.
- Enthusiasm for working collaboratively with colleagues and promoting language development across the curriculum.
