Good Schools Guide

Introduction

Eltham College

The Eltham College family of Schools comprises Eltham College Senior School, Eltham College Junior School and, since September 2023, Blackheath Prep.

Founded in 1842, Eltham College is a thriving, co-educational day school located in south-east London. Originally a boys' school that first accepted girls into its Sixth Form in the late 1970s, Eltham College is now fully co-educational and has nearly 1,100 students in total, including 240 pupils in the on-site Junior School. Eltham College occupies a green 70-acre site in the London Borough of Bromley and was named London Independent School of the Year 2024 by The Sunday Times.

Whilst holding strongly to its ethos of providing a balanced education for its students, the School places a deliberate emphasis on academic success and the School is now regularly found amongst the leading academic schools in the country in terms of results and value added, matching the performance of its main competitors such as Dulwich College, Alleyn's, Trinity School and Sevenoaks School. It also boasts many county and national players in a range of sports, as well as exceptionally talented musicians, actors, authors, scientists, economists, and artists.

Eltham College has a distinctive character, born out of its Christian heritage. It upholds its founding Christian principles, whilst welcoming students of all faiths and none. The School has its own chapel and all students and staff from Year 6 upwards are expected to attend a weekly service led by the Chaplain, a member of the senior staff, or by students. Alongside its emphasis on academic achievement, the School continues to focus on care for each and every pupil. Strong pastoral care, an energetic House system that promotes collegiality, and a relaxed and unpretentious atmosphere make Eltham College a happy and vibrant place for students and staff alike. Students also benefit from an impressively wide range of opportunities outside the classroom through an ambitious co-curricular programme across sport, music, drama and art, and community outreach and enrichment.

Eltham College enjoys superb facilities. In 2019, the Turberville Centre for Mathematics, Languages and Music departments was opened, along with a new Sixth Form Centre and a dedicated medical and wellbeing facility. Extensive and well-maintained sports facilities extend across the 70-acre site, including Astro and hard-court venues, and a large indoor sports centre and swimming pool. There is a drama theatre and a modern art gallery. The Science and Technology Centre has recently been extended, adding four new state-of-the-art laboratories and a science prep room.

The 2022 ISI Regulatory Compliance & Educational Quality Inspection rated Eltham as 'Excellent' in all areas and the full Report can be read [here](#).

Eltham College Junior School

Eltham College Junior School shares the Senior School's 70-acre site, with an entrance just three minutes' walk along the path from the College itself. It has a second entrance from Mottingham Lane. Fully co-educational, the Junior School is home currently to some 240 girls and boys from Year 3 to Year 6. Whilst very much part of the Eltham College community, the school has its own Head and its own identity.

Eltham College is an all-through school and Junior School students are not required to sit a separate entrance exam for the Senior School. Academic standards and co-curricular provision are exceptional, and great emphasis is placed on pastoral care. Students at the Junior School benefit from use of many Senior School facilities, including the dining hall and the extensive indoor and outdoor sports facilities.

'Tip top facilities, positive relationships, inspiring teachers and exciting extracurricular opportunities. The easy transfer to the college is surely the icing on the cake.' **Good Schools Guide 2024**

Blackheath Prep

In April 2023, Eltham College was delighted to announce a merger with Blackheath Prep to form a family of schools. Blackheath Prep is an independent prep school for just over 370 boys and girls aged 3 to 11. Founded in 1996, it occupies a beautiful five-acre site close to Blackheath village. Its original Georgian and Victorian buildings have been extended and adapted to include large playgrounds and extensive playing fields, tennis courts, cricket nets and a Forest School area.

With outstanding facilities, a formidable track record in academic success and impressive achievements in Music, Sport, Drama and Art, Blackheath Prep's vision is to offer an education without boundaries: to give every child the freedom to shine and achieve their full potential, to uphold academic excellence, sparking curiosity and a joyful love of learning, and to nurture kindness and wellbeing, creating a strong sense of community. Children go on to a range of independent and maintained secondary schools and, as part of the Eltham College family, benefit from a priority application process to Eltham College Senior School. A large proportion (at least 50% of the cohort over the last five years) are awarded academic scholarships at prestigious local independent schools or places at top grammar schools. A large number are also awarded scholarships in Art, Drama, Music and Sport.

Our Mission and Values

Eltham College's mission is to provide an outstanding and well-rounded education for girls and boys, built on Christian principles, as a thriving and leading institution among London day schools. This mission is supported by seven interdependent aims which shape the overall culture and direction of the school:

Professional Development

There is a strong professional development programme which is encouraged and generously financed for teaching and non-teaching staff. The Headmaster is personally committed to staff development and spearheads the Devolved Leadership Programme, which is open to all academic and support staff. This enables ambitious and talented staff who are seeking either senior leadership experience or career development to undertake a whole-school project, with mentoring from a current senior leader.
