MANCHESTER HIGH SCHOOL FOR GIRLS

Manchester High School for Girls is one of the leading independent girls' day schools in the country. It is a selective, academic school and last summer's public examination results at both Advanced and GCSE level were excellent, placing the School amongst the top schools nationally.

For 146 years, Manchester High School for Girls has taken pride in giving girls an academic education of the highest quality. Founded in 1874, the School has made a pioneering contribution to the development of women's education. All three of Mrs Pankhurst's daughters were educated here. The School takes its inspiration from its traditions and continues to produce students who distinguish themselves in many professions, becoming role models of successful and influential women. The character of the School has also been shaped by its accessibility to girls from a wide variety of social, cultural and religious backgrounds so that a community has developed which both values individuality and promotes tolerance.

The School is a non-denominational, independent day school, which has charitable status. It is also a member of the Girls' Schools Association and of the Association of Governing Bodies of Independent Schools. Since 1893, the School has provided means tested financial support for a significant number of girls. A range of school bursaries is currently offered in order to make places available to those from low income families, and currently approximately 10% of girls in the Senior School are in receipt of some form of financial assistance. The girls are drawn from a broad geographical area including Greater Manchester, Cheshire, Derbyshire and Lancashire. Special buses transport most of the girls to school and there is a supervised 'girls only' bus serving both the preparatory and the senior girls who live in the Hale, Altrincham and Bowdon areas. Admission to the Senior School is by examination and interview. Entry to the Preparatory Department is from the age of 4 and sometimes occasional vacancies are available for entry at other ages. Admission is selective by means of an assessment for infants and an entrance examination in Mathematics and English for the juniors.

The Senior School caters for girls from eleven to eighteen and the Preparatory Department provides for girls from four to eleven. Most girls in the Preparatory Department progress into the Senior School. The majority of our eleven-year-old entrants, however, are drawn from many other schools, both independent and maintained primary. Some are admitted at sixteen to pursue Sixth Form courses. Currently there are 248 girls in the Preparatory Department, 554 in the senior school, and 187 in the Sixth Form.

The Curriculum and Timetable

Upon entry, girls are placed in one of four parallel form groups in which they are taught for most subjects, although setting is implemented in some subjects. All follow an extensive, strongly academic programme of study, culminating in outstanding examination results at GCSE and A-Level. In 2020, 98% of A-level grades awarded to MHSG students were A* to B. These results are in line with the fantastic performance of our girls from the Class of 2019 and 2018. In 2019, 91% of our students' A-level grades were A*- B and in 2018, 93% were A*- B.

86.5% of all GCSE grades awarded to our students in 2020 were grade 7 or above – and the vast majority of our Year 11 girls chose to stay on to join the MHSG Sixth Form. We're very proud of the girls' excellent academic performance in this and previous years; in 2019 73.4% of our girls' GCSE grades were grade 7 or above (A*/A) - and in 2018 this figure was 69.6%.

The School offers a wide choice of subjects at 'A' level and GCSE, with over 20 subjects offered at each level. Girls take the equivalent of 9 or 10 GCSEs and, currently in the Senior Sixth 3 or 4 A-level subjects. Almost all leave to pursue a degree at a university of their choice and, each year, a significant number gain admission to Oxford or Cambridge.

Pastoral Support, Care and Guidance

Highly effective systems of student support have been established where the roles of the Form Tutor and Heads of Year are pivotal. The work of the pastoral team is greatly enhanced by the School Nurses and the School Counsellor. Other key staff who contribute to the provision of pastoral support, care and guidance include the Director of Sixth Form Studies, a Learning Support Co-ordinator, Well Being Co-ordinator and Head of Careers. Administrative support for the work of the Deputy Head (Pastoral Care) and the Heads of Year is provided by the Pastoral Secretaries.

Current staffing

The staff of the Senior School consists of the Head Mistress, two Deputy Heads, Bursar, two Assistant Heads and 76 teachers (51 full-time and 25 part-time). The Preparatory Department is led by the Head of the Department, who is responsible to the Head Mistress, a Deputy Head and two Assistant Heads, who are responsible to the Head of Prep, with 18 teachers (15 full-time and 3 part-time) and 9 teaching assistants. The Deputy Heads, the Bursar, the Assistant Heads, the Head of the Preparatory Department and the Development & Marketing Director form a Senior Leadership Team working closely with the Head Mistress. In addition there are 13 technicians, a full-time professional librarian with 2 assistants, 5 visiting speech and drama teachers and a large team of visiting instrumental music teachers. A school doctor is in regular attendance and there are 2 part time school nurses. The Head's Personal Assistant is also the Office Manager and there are 15 other ancillary staff supporting the offices of the Head and the Bursar, as well as providing administrative assistance for the staff. In addition, there is an Estates Manager and 7 maintenance staff.

Extra-curricular activities

Normally, there is a wide variety of extra-curricular activities, which are well supported by girls and teachers. Many take place at lunchtime but, in addition, there are numerous theatre visits and field trips which offer the opportunity for students to develop and follow their interests and talents in music, drama, sport and academic areas. Every year there are drama productions and music festivals; the School's performance activities have an excellent reputation. There is a full schedule of sporting fixtures including netball, cross-country, hockey, athletics, tennis, rounders, swimming and water polo. All girls in Year 7 attend a residential induction course and there are regular opportunities to participate in sport tours and other trips abroad.

Accommodation

In the last sixteen years, an ambitious refurbishment and development schedule has seen the classrooms, laboratories and specialist subject accommodation transformed. Modernisation of the dining room and kitchens, library, main hall, lavatories, three ICT suites, two language laboratories and greatly improved work facilities for staff have completed the upgrades. The construction of an impressive Sports Complex, with fitness suite and climbing wall to augment the existing swimming pool, Astro turf pitch and dance studio was completed in September 2006. A free membership scheme for staff to the Fitness Suite is available. A first floor extension and refurbishment of the Preparatory Department providing four additional classrooms was completed in August 2012. A state of the art Sixth Form Centre was completed in summer 2014.

Development and Marketing Department

The School's Development and Marketing Department consists of Director of Development and Marketing, an Alumnae and Development Manager and the Marketing and Communications Manager. Marketing is responsible for overseeing anything related to the Manchester High School for Girls 'brand' and promoting what is on offer here to prospective parents and students through advertising and PR, including maintaining the School's various social media platforms and website.

The Development aspect of the department's work involves maintaining links with over 4,000 members of the School's alumnae community and raising funds for the School's Bursary Fund. Development is heavily involved in organising a number of flagship events in the Manchester High calendar, including the annual Founders' Lecture. The links the department has are vital in enabling the School to build close working relationships with the Manchester business community.

Development also supports the Careers Department by managing Project Pankhurst (our alumnae mentoring scheme for Sixth Formers) and the 'Insight Into...' careers evenings.

Inspection and Future Plans

The Independent Schools Inspectorate (ISI) conducted a regulatory compliance and educational quality inspection of Manchester High School for Girls in November 2019. The School was found to be fully compliant with all of the regulatory requirements and achieved the highest possible rating of "excellent".

A strategic development plan which runs from 2019-2022 is in place. The School is continuing to work to maintain a culture in which learning is pre-eminent and in which change is welcomed in the pursuit of improvement.

AGREED STATEMENT OF EDUCATIONAL PURPOSE AND AIMS

Purpose

Manchester High School for Girls was founded in 1874 "To impart to the girls the very best education which can be given and to fit them for any future which may be before them".

Today, the School maintains these guiding principles by encouraging each individual pupil to achieve educational excellence over a broad range of subjects and to develop an awareness of her own value and a sense of responsibility towards others.

Aims

The School aims to:-

- Develop an understanding of the value of education as an end in itself and to instil a love of excellence and culture.
- Encourage the achievement of the highest academic standards and individual potential.
- Provide a broad and varied range of subjects and activities offering each girl the opportunity to develop her talents within a single sex school.
- Educate the whole person so that girls leave school with a sense of self-worth, self-discipline, and an ability to contribute with confidence in an increasingly competitive and technological world.
- Draw on the School's social, cultural and religious mix of pupils, to enable girls to live and grow in an atmosphere of mutual respect.
- Encourage qualities of caring, kindness, honesty and loyalty and to foster high moral standards.

The Preparatory Department

The Preparatory Department has an excellent academic record and enjoys a well-deserved reputation as a caring school in which each girl is valued as an individual. The girls are educated to the highest standard by experienced, caring and committed staff; the department provides a broad, academic yet forward-looking curriculum, as well as exciting opportunities for extra-curricular activities.

It offers a friendly, happy and secure environment in which the qualities of kindness, respect, loyalty, self-discipline and self-worth are encouraged and developed. Each girl is helped to develop her self-confidence, her special talents and her academic potential.

The philosophy of both the Preparatory Department and the Senior School is that happy girls will achieve their potential. The level of pastoral care provided for the girls is, therefore, extremely high and includes 2 part time nurses (based in the Senior School, assisted by a doctor who visits one day each week), the Playground Friends and School Sister schemes, and specialist before and after school care.

The Preparatory Department is housed in its own accommodation which is attached to the Senior School. There are two libraries and two halls, serving the Early Years Foundation Stage, Key Stage 1 and Key Stage 2. Technology is prioritised for staff and pupils, with a computing suite, sets of laptops and iPads available for all classes. Interactive white boards are installed in all classrooms and the Junior Hall, and a plasma screen installed in the Infant Hall and flexible learning space. The Preparatory Department shares with the Senior School the use of the swimming pool, the sports complex, the dance studio and the outdoor astroturf pitches and netball courts; there are separate play areas for both Key Stages, with an additional, attractive outdoor learning space specifically designed for the youngest children in the EYFS classes.

There are two parallel classes of up to a maximum of 20 girls in the Infants and 22 girls in the Juniors. The Prep Leadership Team includes the Head of Prep, Deputy Head of Prep and two Assistant Heads. The Infant Department is led by the Assistant Head of EYFS and Key Stage 1, who is line managed by the Head of the Preparatory Department. Specialist teaching is experienced by girls from Reception to Year 6 in a variety of curriculum areas such as Music, Sport, Swimming, Mandarin, Latin, German, Spanish and French. In addition, there are six teaching assistants in EYFS and Key Stage 1, three teaching assistants in Key Stage 2 and two part-time Learning Support teachers.
