We are a School with a rich history dating back to 1513, we pride ourselves on developing happy, confident and driven students with a love of learning.

Nottingham High School is not your average School, we have a very strong academic reputation and achieved the best examination results in the region last summer. We were named the East Midlands Independent Secondary School of the Decade by The Sunday Times Good Schools Guide 2021.

The High School is an independent day school (HMC) for Boys and Girls aged 4 to 18. Our Junior School, Senior School and Sixth Form are based on-site at Waverley Mount and our Infant School is based across the road at Lovell House.

Development of teaching and learning is a key emphasis of the School, seeking to develop our pedagogy to deliver lessons that are challenging and inspiring. We are looking for dynamic, forward-thinking subject teachers who engage with learning and teaching initiatives, share best practice and who are willing to adapt to new technologies as appropriate. Our remote learning programme has been crucial to our success and one of the strongest around, we look to develop this in the coming years.

Our teachers are at the forefront of the School's success, we work hard to make Nottingham High School a place that people love to work. Our teachers and support staff work closely to achieve the aims and objectives of the School. The Nottingham High community is at the heart of our culture.

Students come from a wide range of backgrounds and the School is committed to maintaining a representative entry, supporting this with generous bursary and scholarship funds. Together, these mean that about a fifth of students receives some form of financial assistance. Entry is by competitive assessment in the Spring Term.

As well as our academic success we put a strong focus on our extra-curricular programme, with over 40 clubs and groups we offer students the opportunity to try a whole range of activities including chess club, board games, music and sport to name a few.

THE DEPARTMENT

Nottingham High School has a strong tradition in Physical Education, with sport playing a vital part within the life of the school.

Teams represent the school in a variety of sports. The main Autumn Term sports are hockey for girls and rugby for boys, in the spring term netball for girls and hockey for boys with in the summer term cricket for girls and boys. Other teams are organised for swimming, athletics, badminton, handball, cross-country, tennis and football (for Sixth Formers not involved in the major sports).

Facilities include a fully equipped sports hall with a recently developed fitness suite. A climbing wall, gymnasium and a 25m swimming pool complete the facilities on site. Playing fields are situated 2 miles away at Valley Road and have an enviable reputation for the fine surfaces that are prepared by the three groundsmen. In addition to 3 permanent cricket squares, 4 artificial strips and 8 artificial cricket nets, there are 6 rugby pitches, 3 netball/tennis courts, full athletics facilities including grass 400m and 200m tracks and also 2 football pitches. We have current plans to develop an additional 3 netball and tennis courts on this site. Our Hockey programme is based at the Nottingham Hockey Centre, where following the addition of our two new pitches is the largest Hockey centre in the UK. We utilise other sports facilities in Nottingham including West Bridgford Tennis centre, Nottingham Squash club and the Harvey Hadden Athletics stadium. A new Junior School Sports Hall was completed in 2018.

The department also works closely with local and national sports organisations to develop links and coaching opportunities. Nottingham High School has supported an U15s hub for Loughborough Lightning netball for the last 3 seasons and hosts the MCCF Nottingham Cricket Hub. In addition, we work closely with local schools to provide football and cricket festivals at Valley Road as a part of our outreach programme.

There are currently eight full time members of the PE department including, an athletic development professional and a graduate teaching assistant. We often have university students on placement. All staff teach both in the senior and junior school with three members of the department delivering the A level course. The department is fortunate to have at least another 30 teaching staff who help to deliver the games curriculum and assist with co-curricular sport. Currently, at least 25 staff assist with running school teams across a wide co-curricular programme.

In addition to curriculum PE the department teaches A Level PE. This is becoming ever more popular as a subject with students wishing to study all kinds of subjects at university from Physiotherapy to Medicine. We see it as desirable for the successful candidate to be part of the A Level teaching in the department.

As part of a thriving PE and Games department is essential that the successful candidate is available to run sports practices after school and is available at weekends to run / manage sports teams throughout the academic year.

The department is looking forward to running sports tours again once the pandemic situation improves. Consequently, the successful candidate must be available to run / be a part of these tours during both term time and school holidays. In the past the department has toured the UK and taken tours to South Africa, New Zealand, Argentina, the Caribbean and the USA and hopes to do so once again.
