

November 2017

Dear Applicant

Thank you for showing an interest in our vacancy for an Assistant Headteacher with responsibility for Key Stage 1.

Kirton Primary School is a larger than average school with a hard-working, friendly team of staff, and children of whom we are proud. Our latest Ofsted inspection described us as 'Good'.

We are a three-form entry school and are federated with Boston Nursery School under the Parliament Federation. We have a mutually supportive and experienced Senior Leadership Team, consisting of an Executive Headteacher, a Head of School, a Deputy Head of School, three Assistant Headteachers and a Business Manager. The team meets regularly and works together closely. We also have an emerging and expanding middle leadership structure which we are keen to support and develop.

We are seeking to appoint an experienced and successful Y2 classroom practitioner who wishes to combine their excellent teaching practice with school leadership. Ideally, the successful applicant would have had some experience of leading a team, but we are keen to identify and develop early potential.

The closing date is 12th December at noon and the interview date is 15th December. The anticipated start date is April 2018, however, the position becomes vacant in January so an earlier start date might be possible. The successful candidate will be subject to DBS clearance.

We strongly recommend that you visit our school prior to interview.

Yours sincerely

Mrs Donley
Executive Headteacher
