The successful applicant will be able to teach level 1-3 in Media Production. It is also desirable for candidates to possess technical expertise in a variety of Media software and have a good understanding of BTEC and/or OCR Specs.

We also require applicants to have:

- Relevant industry experience in Radio/TV/Animation/Content Creation
- A good network of industry professionals.
- An excellent understanding of either audio or visual production processes and their technologies.
- Good knowledge of and the ability to creatively teach Media Theories
- Skills in Adobe Creative Suite and the ability to utilise new technologies in teaching and learning.

Successful candidates must have an absolute commitment to standards and delivering an outstanding experience and outcomes for learners. You will be committed to excellence in the teaching and learning experience with a demonstrable track record.
