Create Aspire Nurture

The Clevedon Learning Trust (CLT) was launched on 1st January 2015. The CLT is currently formed in two geographical areas, Clevedon and Bridgwater. The CLT brings with it a new, innovative and student focussed approach to education within local communities. The CLT will provide high quality education and experiences for children and families. We will achieve this through our formal school partnership, using the most effective teaching and learning strategies, the best resources and facilities and the clearest progression routes for our children from the age of 0 to 18.

St Nicholas' Chantry Primary School is a 4-11 Primary School (386 on roll). We are committed to providing an outstanding education to the young people of our school community and being centred on growth, development and achievement. The school has a strong Christian ethos and has high expectations of all its staff and pupils. We have a strong vision and a well-designed school improvement drive that is based on secure values and the idea that people matter. Clevedon is a lovely place to work and the community we serve value education and share our ideas about aspiration and success.
