Why work at Ernest Bevin College?

Ernest Bevin College is a six form entry boys' school, maintained by Wandsworth Education Authority. The current roll is 1,250 students, including approximately 370 in the co-educational Sixth Form. One third of the annual intake is selected by means of a general ability test. The College continues with its original specialisms in Sports, Maths and Computing and offers unique opportunities in Science, Technology, Engineering and Maths (STEM) subjects with the aim of educating young people for the 21st Century.

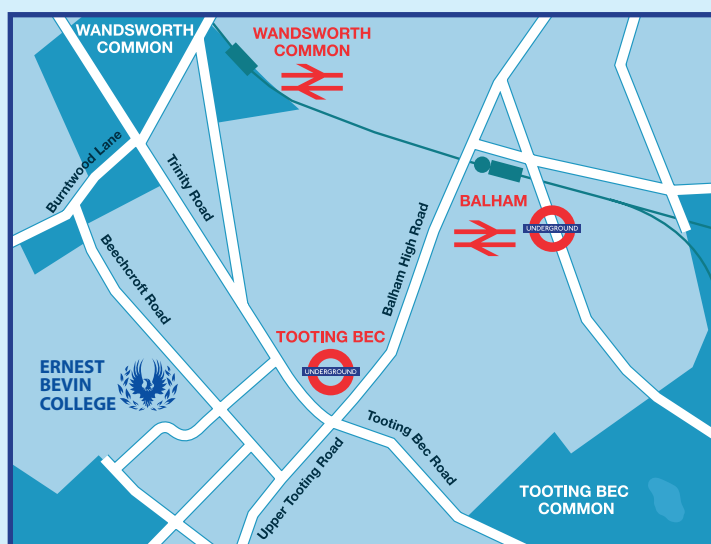

Leadership: The College is led by the Principal, two Vice Principals, four Assistant Principals, three Senior Teachers, two School Business Managers and Head of Network and Learning Resources. The College operates a Faculty system whereby each Faculty is led by a member of the Leadership Team. Each Faculty supports and monitors pupil progress rigorously through our Quality Assurance Cycle. The Head of Year leads a team of tutors who are responsible for the wellbeing of the students in their year. The ethos of the College is one of high expectations of behaviour and learning in conjunction with a warm, friendly and positive environment. The College has a track record of succession planning and staff have many opportunities for internal promotion.

Colleagues: The College has a stable and committed staff who have high expectations of themselves and their students and who work very hard to meet individual needs. The College prides itself on looking after the staff by providing support and training and a good environment in which to work. The facilities in subject areas are of a high standard and every classroom is equipped with an interactive whiteboard or Smart TV. The majority of staff are provided with a tablet PC. New members of staff are supported through a comprehensive mentoring programme with a dedicated mentor. Staff have many opportunities for social activities: there is a free yoga class once a week and access to our wide range of sporting, keep fit and swimming facilities all free of charge. There is also free tea and coffee throughout the day, a half termly staff quiz and a huge number of social events during the year.

Environment: The College buildings are of a very high standard, providing excellent facilities in all curriculum areas. We have recently refurbished our Science Laboratories and Food Technology Room which reflect our desire for continuous improvements in our learning environment. The College opened its new £7 million Sixth Form Centre and Sports Complex in recent years which has provided us with new Sixth Form accommodation, including a lecture theatre and common room.

Success: We are extremely proud of the achievements of our students. In 2019: 59% of Year 11 achieved both English and Maths at Grade 4+. At A Level 46% of grades were A*-C. Our Sixth Form has grown steadily in terms of the number of students and their achievements and a new post of Director of Sixth Form was created in 2019 to further lead on building this success. Over 75% of our Year 11 have returned to our Sixth Form. This year 104 students from our Sixth Form went to university, 38 are starting Apprenticeship schemes.

Sport: The College has a proven record of sporting success at local, regional and international level. The sports facilities are of the highest standard and include a sports hall, a 25m swimming pool, a dojo (for judo) and a fitness suite. We work with Greenhouse with dedicated sports coaches training our students to compete at national and international levels in the sports of judo and table tennis. We run a Cricket Academy in partnership with Twenty20 Community Cricket which enables students to benefit from professional cricket coaching and a full programme of competitive matches alongside their studies. We have a Combined Cadet Force (CCF) and the Royal Marines working with us on site.

The college is situated a short walk from Tooting Bec underground, Wandsworth Common and Balham main line stations. Numerous bus routes serve the local area.

Lydia (Head of Citizenship)

Lots of hard work but also lots of rewards which make it all worthwhile.

**Michael (Head of Maths)**

I have been at Ernest Bevin for a long time and have experienced many transformations in my entire time here. What I enjoy most is the sense of community and the open door policy that gives staff the opportunity to discuss any issues they may have.

**Sharon (Health, Social and Well-Being Coordinator)**

Ernest Bevin has a very dedicated team many of whom have worked here for years. The school offers opportunities to move up in your career and also has a very friendly atmosphere.

**Adrian (Learning Resources Manager)**

Working at Ernest Bevin by providing a service to the college and students for 46 years. It must be good!

**Ghassan (Teacher of Computer Science)**

Ernest Bevin is a great school to work in. You are surrounded by supportive members of staff and an excellent teaching and learning environment. I have enjoyed my time here so far and would recommend this school to anyone that wants to join the team.

**Aine (Head of Year 10)**

Ernest Bevin is a brilliant school to develop your teaching skills at, as it is such a supportive environment. Help and advice from colleagues in Bevin can be found from anyone at anytime, anywhere.

**Robert (Learning Support Supervisor)**

Moving to Ernest Bevin was great for me. The support and encouragement from others has been fantastic. Everything that the school does has the students best interests and their success at its core.
