

STATEMENT OF VALUES

WE BELIEVE OUR PURPOSE IS

- to provide a happy, peaceful, caring environment conducive to creativity and learning;
- to offer a balanced programme reflecting individual and collective needs and interests;
- to promote critical thinking and the capacity to contribute actively to the resolution of individual and collective problems in the interests of freedom and justice;
- to develop as a progressive, forward thinking school, which places importance on self-esteem and encourages a love of learning in helping all students to realise their personal and academic potential to the full.

TO ACHIEVE OUR PURPOSE WE WILL VALUE AT ALL TIMES

RESPECT

for ourselves, our friends and each and every member of the community
along with our environment, and places of work and study
and

TOLERANCE

for individuality, difference of opinion and the right to free speech
assuming

RESPONSIBILITY

for our words and actions
with

HONESTY

in all areas of our work, study and life
in

COOPERATION

with our friends, families, school staff and colleagues
for the realisation of a

COMMUNITY SPIRIT

based upon openness, solidarity, integrity and trust.

In recognition of these fundamental values we will respond openly and enthusiastically to new insights into what this commitment

requires from each of us in terms of living our lives as members of The Lancaster Community.
