

Teachers' Student Loan Reimbursement

Bracknell Forest is one of the few areas in the South East and the only one in the Thames Valley able to offer eligible teachers the opportunity to apply for the reimbursement of their student loan repayments.

The teacher must meet the following criteria:

- been awarded Qualified Teacher Status in one of the eligible academic years (2013 – 2021)
- be employed in a Bracknell Forest school for an eligible academic year (Sep 2018 onwards)
- be teaching Languages, Physics, Chemistry, Biology or Computer Science

Teachers will be eligible for reimbursements for up to 10 academic years following the year in which they were awarded QTS starting with loan repayments made in 2018-2019.
