### POLICY ON THE RECRUITMENT OF EX-OFFENDERS

<u>&</u>

# **SECURITY OF DISCLOSURE INFORMATION**

Sherborne School aims to promote equality of opportunity for all with the right mix of talent, skills and potential. The School welcomes applications from diverse candidates.

Sherborne School is a Registered Body with the Disclosure and Barring Service for the purposes of obtaining access to criminal record checks for employment and voluntary appointments. It is of fundamental importance to Sherborne School to ensure so far as is possible that those who take up appointments do not pose a risk to the children in its care. It is important, therefore, for the School to apply for and review the past criminal records of any successful applicants before confirming and taking up a position at Sherborne School.

The School also considers it essential that the confidential and personal Disclosure information from the Disclosure and Barring Service is used fairly and sensibly in order to avoid unfair discrimination of applicants for appointments at the School. Candidates are selected for interview based on their skills, qualifications and experience.

### **Reasons for Requiring Disclosure**

In accordance with the Government requirements, all employees at Sherborne School must have undertaken an Enhanced Disclosure. All job details and formal offers of employment will contain a statement that a Disclosure will be requested.

Prior to a request by the School to undertake a criminal record check, applicants are encouraged to advise the School of details, <u>in confidence</u>, of relevant convictions and other associated information (including police enquiries and pending prosecutions).

# **Types of Disclosure**

Criminal record checks from the Disclosure and Barring Service are referred to as "Disclosures". In accordance with the above requirements all Disclosures undertaken are on an Enhanced basis.

Normally Enhanced Disclosures are required for positions that involve a greater degree of contact with children, including caring for, supervising, training or being in sole charge of young people, e.g. School environment.

Enhanced Disclosures include details of all convictions held on the Police National Computer, including current and 'spent' convictions, as well as details of any cautions, reprimands or final warnings. The Disclosure will also indicate whether information is held on Government department lists held by the Department of Health and the Department for Education and Employment. In addition, Enhanced Disclosures include a check on local police records.

# **Application Procedure**

In accordance with normal School policy, applicants will be required to provide proof of their identity to the School, which will include a birth certificate and a passport (or driving licence). Where an applicant has changed his/her name (by reason of marriage, deed poll, adoption etc) the School will require evidence of this change of name (e.g. marriage certificate).

The applicant will be provided with a DBS Application Form and will be required to complete and sign the form, and return direct to the HR Department in the Bursary. The Form will then be countersigned by the School's authorised Counter Signatory and forwarded to the DBS.

All applicants are encouraged to provide this information under separate, confidential cover to the HR Department. This information will only be seen by those who need to see it as part of the recruitment process. Failure to reveal information that is directly relevant to the position sought could lead to withdrawal of an offer of employment (or the termination of the employment if it has commenced).

The final Disclosure, which may take up to 4 weeks to process, will be sent direct to the Applicant, and the applicant must provide this to the HR Department before employment can commence.

# **Consideration of Disclosure Information by the School**

If the Disclosure reveals information not previously known to the employer, the School shall consider the following:

- a. Whether the conviction or other information disclosed is relevant to the position in question;
- b. The seriousness of the offence or other matter revealed;
- c. The length of time since the offence or other matter occurred;
- d. Whether the applicant has a pattern of offending behaviour or other relevant matters;
- e. Whether the applicant's circumstances have changed since the offending behaviour or other relevant matters;
- f. The circumstances surrounding the offence and the explanation(s) offered by the convicted person.

### **Disclosure & Barring Service Code of Practice**

The School agrees to comply with the provisions of the DBS Code of Practice where possible, taking account of the Department for Education Keeping Children Safe in Education requirements.

#### **Security of Disclosure Information**

- a. Given the confidential nature of the Disclosure information, the School will ensure that it is stored securely and will be kept in locked cabinets direct access to Disclosure information will only be available to the HR Department.
- b. The School recognises that it is a criminal offence to pass Disclosure information to anyone who is not entitled to receive it.

- c. Disclosure information will only be used for the specific purpose for which it was requested and for which the applicant's full consent has been given.
- d. Once a recruitment decision has been made, the School will not retain the Disclosure information and any associated correspondence for any longer than is necessary.
- e. In the event of any dispute with the applicant over the content of the Disclosure information, the documents may need to be retained for a longer period.
- f. The School will destroy Disclosure information, and any associated correspondence, by means of shredding.
- g. If Disclosure information is lost, the School will inform the DBS and the subject of the information as soon as possible.
