KENSINGTON PARK SCHOOL

## Introduction

Kensington Park School opened in September 2018 and is a fantastic addition to the central London independent school scene.

The school operates across a split site either side of Kensington Gardens:

- The Lower School (years 7-11) is in Bayswater;
- The Sixth Form is located opposite the Natural History Museum.

Whilst many of our teachers have taught at some of the oldest and most traditional schools in the country – St Paul's School, St Paul's Girls' School, Godolphin and Latymer, City of London School for Girls, St John's Leatherhead and Winchester College to name but a few - the school's outlook on education is modern and dynamic. Our staff have long and successful track records helping their pupils to achieve outstanding GCSE and A Level results as well as giving professional advice on entry into the world's finest universities, including Oxbridge and the US Ivy League.

KPS is partnered with providers of exceptional sports facilities in and around its West London home. These include Imperial College's Ethos Sports Centre with its modern gym, pool and 9-metre climbing wall; and Will to Win Tennis: a superb tennis centre in Hyde Park. There is an exciting outdoor education programme, including the Duke of Edinburgh award scheme.

The school boarding accommodation, Princess Beatrice House, is of the highest quality, and amongst the best in the UK. It is equivalent to a quality London hotel in terms of decor, space and furnishings and all within a safe environment which is managed 24 hours a day. The unique central location and excellent pastoral team ensure that our pupils are safe and supported as they make the most of their surroundings. The rich variety of evening and weekend opportunities take in the full spectrum of all that the capital has to offer.

In October 2018, having been open for only six weeks, the school was inspected by Ofsted and was found to be good or outstanding in all areas; a tremendous achievement for such a young school, and one we are all immensely proud of.

## Aims and Objectives

Kensington Park School has a clear commitment to excellence in education through small class sizes, personalised pastoral care, and a unique and varied co-curricular partnerships programme. In addition, the school has both established and developing links around the world which will offer students a global perspective on education, equipping the young minds of today for the world of tomorrow.

Our teachers inspire a zest for learning and independent thinking. Pupils are thoroughly prepared to gain entry into the top universities worldwide. Success is based upon each pupil's enjoyment of a stimulating learning experience alongside other like-minded individuals. We value academic attainment and encourage our young people to become well-rounded, socially intelligent members of society.

School aims:

1. To value the individual.
2. To provide a modern curriculum which promotes intellectual curiosity and creativity, and which fosters a love of independent learning.
3. To provide pastoral care which by being attuned to the challenges of modern society enables students to fulfil their potential.
4. To promote a positive approach to healthy living.
5. To offer a stimulating range of co-curricular activities which provide opportunities for personal growth, teamwork and leadership.
6. To operate with the highest regard for Safeguarding.
7. To promote responsible attitudes – including those linked to sustainable living – towards the wider community both at home and overseas.
8. To nurture links with our partners locally, nationally and internationally.
9. To equip pupils with the tools to deal with the challenges of the modern workplace and the global economy.
10. To attract and retain staff of the highest calibre and to promote a culture of ongoing professional development.

# Curriculum

KENSINGTON PARK SCHOOL

From entry at either Year 7 or Year 9, pupils follow a broad traditional syllabus which includes English, maths, the sciences, modern foreign languages (including Mandarin Chinese), computer science, geography, history, classical civilisation, religious studies, IT, drama and music.

This is supplemented by four periods of sport each week. During Year 9, GCSE subjects are selected for study in Years 10 and 11. The core subjects include maths, English, a modern foreign language and the sciences and the remaining subjects are selected from option blocks. Pupils will typically study 9 or 10 subjects at GCSE level.

Moving to the Sixth Form, our pupils will generally select three A-Level subjects, in some cases a fourth may be added. There is also an opportunity to add a non-examined elective subject such as Mandarin in order to help access the programmes of study which we offer at Shanghai Jiao Tong University at the end of the Lower Sixth.

# Department Information

KENSINGTON PARK SCHOOL

## Science – Biology

We are seeking an inspirational and enthusiastic Biology Teacher to join our friendly department and support the school as it continues to expand, having opened last September 2018. The successful candidate will teach Years 7 – 11. In some cases, willing candidates who have experience teaching A Level may also be asked by the Headmaster to contribute towards teaching the Sixth Form.

The post is suitable for a skilled and experienced Biology Teacher, or for an ambitious person who is relatively new to teaching and who can see potential in making their mark on this new school.

You will be teaching at KPS Bark Place, W2 4AT: a purpose-built school building which underwent complete refurbishment throughout 2017 – 18. All of the classrooms are bright and spacious, with interactive whiteboards. Each pupil is given their own electronic device. The maximum classroom capacity is 15 pupils.

With relatively low pupil numbers in the first few years of the school being open, the department timetable is reduced and therefore the ability to offer another subject or specialism is an advantage but not a requirement. There are also opportunities to contribute to the extra-curricular life of the school and we enjoy partnerships with facilities right on our doorstep, including sport in Hyde Park, swimming and fitness at the Porchester Centre and even ice-skating and curling at Queen's ice rink!

Teachers will be offered a great deal of support alongside many opportunities to share resources and good practice.
