

Wallington County Grammar School

IT Support Analyst – Required Immediately

36 hours per week, all year round

Salary: £17,000 – £25,000 depending on skills and experience

We are seeking to appoint a motivated IT Support Analyst to work as part of our dedicated IT team. You will support the Network Manager in the day-to-day running of the school's IT network and infrastructure and provide first line support to staff and pupils to ensure the smooth running of IT systems in order to facilitate teaching, learning and school administration. This will involve hardware and software support, incident logging, equipment audits as well as general IT administration duties.

We can offer you:

- The opportunity to work in a school working towards 'outstanding' with a variety of technologies and equipment.
- The opportunity to be part of a team overseeing the development of IT provision for a new free school due to open in 2018.
- Professional development opportunities in a variety of areas that help to grow your own knowledge as well as expand the school's expertise.

For further information regarding duties relating to this role, please contact Mr Jamie Watson, Network Manager at jwatson1@suttonmail.org.

Applicants packs are available from the School website or by emailing a request to personnel@wcgs.org.uk.

Please return completed Application and Equal Opportunities Monitoring Forms to Mrs Jo Johnson, Personnel Officer, at personnel@wcgs.org.uk accompanied by a letter of application detailing your suitability for the position.
