Dear potential candidate,

I would like to thank you for taking an interest in the post of Deputy Head teacher at St Christopher's School and hope that you find the attached information helpful. I have been the Head at St Christopher's for a relatively short time following the merger with my previous school Queens Park. As my sole Deputy, your role will be vital in helping me to continue our journey of school improvement and as such is the perfect stepping-stone to headship.

The governors and I are looking for an inspirational and highly organised leader who can spearhead our drive to improve outcomes for students. As our only deputy, you would have an ideal preparation for headship, working with myself, staff, students, governors and all stakeholders to shape our vision for the future. You would be leading a team of highly motivated and outstanding senior colleagues, to ensure outstanding learning and teaching, leading to great results for our children. You will have a strong team of staff around you, who will be highly supportive and who share in our desire to constantly improve.

I am immensely proud of St Christopher's School. The positivity of its staff, students, parents and governors have all contributed to moving our school forward at an impressive pace. I think it is a wonderful place to teach and learn and we all work very hard to make our school the fantastic place we want it to be.

If you are ambitious and feel that along with me, you can inspire this community to the next phase of its development then please come and visit us, I very much look forward to reading your application.

Good luck with your application and we look forward to meeting you.

Yours sincerely
