

Job Description and Person Specification

Rum 9		
Head of Expressive Arts		
Job Purpose	The Head of Expressive Arts at Charterhouse Malaysia is tasked with leading the department to excel in delivering high-quality education across IGCSE Science+, IGCSE Foundation, IGCSE, A Level Foundation and A Levels. This leadership role involves blending traditional academic rigour with the school's "Future Ready" vision (including incorporating extra and co-curricular use of "The Incubator"), utilising both data-driven and innovative strategies to continuously improve teaching and learning outcomes. The Head of Expressive Arts will be an experienced teacher of Music to A Level.	
Main Duties and	Teaching and Learning	
Responsibilities	 As a core component of their role, the Head of Expressive Arts will actively teach up to 27 x 40 minute periods per week of Music and Independent Learning Projects, exemplifying high standards of instructional practice and classroom management. Fulfill the essential teaching duties, maintaining alignment with the general Job Description for teachers at Charterhouse Malaysia, which encompasses delivering engaging and effective lessons, assessing student progress, and fostering a positive learning environment. Serve as a role model in the implementation of innovative and traditional teaching methods, demonstrating effective integration of the "Future Ready" principles and the Spectra Smarts framework within their subject area. Lead by example in promoting academic excellence and personal development ensuring that their own teaching practice reflects the expectations and values uphelo by the school. 	
	Curriculum Development and Instructional Leadership:	
	 Develop and oversee the departmental curriculum, integrating rigorous academic standards with innovative "Future Ready" practices, tailored to students at various educational stages including IGCSE Science+, IGCSE Foundation, IGCSE, A Leve Foundation and A Levels. Implement forward-thinking teaching methods that foster critical thinking, problem solving, and adaptability, incorporating approaches like Design Thinking, Project, and Inquiry-based learning, as well as interweaving the Spectra Smarts Framework. Regularly review and update the curriculum to ensure it remains relevant and effective, aligning with the latest educational trends and the specific needs of the student body, including students with English as an Additional Language. Develop Learning Pathways in line with Charterhouse Malaysia's Future Ready Vision and the badging and micro-credentials framework. Maintain oversight of examination pathways, reviewing examination boards and their associated curriculum to ensure students are engaged in the most effective study to secure their targeted outcomes. 	
	Data Analysis, Resource Development, and Strategic Planning:	
	 Systematically analyse performance data to evaluate the effectiveness of teaching practices and learning outcomes. Develop teaching resources and strategies that align with Charterhouse Malaysia's evolving educational goals and the "Future Ready" vision, ensuring optimal student 	

progression and achievement.

Job Description and Person Specification

	 Formulate and execute strategic initiatives based on data analysis, aligning these with the "Future Ready" vision to enhance academic performance and the overall educational experience.
	Professional Development and Team Leadership:
	 Facilitate ongoing professional development, focused on enhancing subject-specific expertise and pedagogical skills that support both traditional and "Future Ready" educational paradigms. Lead, mentor and support teaching staff in refining their instructional methods and integrating "Future Ready" and other innovative teaching practices effectively.
	Assessment and Quality Assurance:
	 Implement comprehensive assessment mechanisms that accurately reflect student learning and progress, adapting assessment strategies as necessary to meet educational objectives. Ensure that teaching and assessment methods are well-aligned with the intended learning outcomes and are consistently applied across the department.
	Pastoral Care and Wider School Engagement:
	 Actively engage in and promote the school's pastoral programmes, fostering an environment that supports students' emotional and social development. Enhance student engagement in both academic and personal growth initiatives, ensuring a balanced approach to education.
	Where required, to act as a Tutor, to a particular group of students.
	Reporting Lines
	 Report directly to the assigned member of the Education Leadership Team (Deputy Head), maintaining regular communication and alignment with the school's strategic objectives
Academic and Professional	 A Bachelor's Degree in the subject you wish to teach from a recognised institution. Holder of a PGCE or equivalent
Qualifications	 for experienced but uncertified Malaysian teachers a willingness to undertake a professional teaching qualification Evidence of continuous professional development.
Experience Requirements	 A fluent first language English speaker. A minimum of 5 years full-time teaching experience in an International School setting Experience of academic leadership, such as running a single subject area, or as the second in department, would be an advantage. Significant experience of delivering the IGCSE and A-Level curriculum in your subject. Experience of curriculum planning and development in your subject. A track-record of producing excellent IGCSE and A-Level results. Evidence of outstanding teaching practice. Experience with assessing student work and providing feedback against exam board criteria. Experience in using technology in the classroom and online to maximise student learning experience
