Dear Colleague

Thank you for your interest in the post of Teacher of History at Colmers School & Sixth Form College.

We are in unprecedented times and I know how difficult it can be to apply for a new post during such uncertainty. I am therefore especially pleased that you are considering the vacancy we have in our Humanities Faculty, which has come about due to the relocation of one of our team.

Colmers is a wonderful, oversubscribed comprehensive school in South West Birmingham, serving an area of significant disadvantage. If you are passionate about the potential for education to change children's life chances and committed to ensuring that all children benefit from a great education, then Colmers may well be the right school for you! The applicant pack contains some key documents that we hope you will find useful, alongside the wealth of information available on our website.

We are looking for a new or experienced teacher who will embrace our Colmers #oneteam ethos and values. You will be joining a dynamic team who go the extra mile to bring history alive to our young people and help them understand why powerful knowledge and expertise are both intrinsically fascinating and key to their future success.

At Colmers, we place great importance on the professional learning and development of all staff within a collaborative approach, whether new to the profession or carrying years of experience. You will be hard pressed to find a more supportive and generous staff team within which you will play a key role delivering our history curriculum.

The deadline for applications is Monday 19<sup>th</sup> April 2021 at midday. Your application must include a completed application form and a letter of application. In your letter, we would like you to demonstrate that you have the skills, experience and qualities we are looking for in no more than two sides of A4 font size 11+).

Letters of application must be accompanied by a fully completed application form. Please return completed application forms to Mrs Teresa Davis, HR Manager at [tdavis@colmers.school](mailto:tdavis@colmers.school)

If you have any queries in advance of applying for the post, or during the application process, please do not hesitate to contact us.

Yours sincerely
