

The Grange Senior School

Teacher of Latin and Classical
Civilisation

Our School

The Grange School has been one of the great success stories of independent education over the past forty years. The school was founded in 1933 as a Kindergarten and Preparatory School. In 1977, the Governors took the major step of developing secondary education and since 1978 the school has grown steadily and developed an outstanding academic reputation. Today, The Grange has a total enrolment of 1215 students with 423 in the Junior School (4-11 years) and 792 in the Senior School. It is consistently one of the best performing schools in Cheshire and undoubtedly among the very best independent co-educational day schools in the country.

Our academic results speak for themselves; we are consistently one of the highest ranking co-educational independent schools in the country. In 2023, 22% of GCSE entries were awarded grade 9. At A Level (in 2023), 21% of entries were awarded an A* grade. Thanks to these excellent results, the majority of our leavers (approximately 75%) go on to join their first-choice university.

More importantly we are a very happy school. The relationship between staff and students is exceptional; although very busy and, at times, pressurised, it is a pleasure to work and study in such a friendly environment. Expectations of teachers and pupils are high, but this serves both to stimulate achievement and provide reward.

We understand our chief purpose to be to help produce young people who truly flourish and find fulfilment as adults. We try to do this by helping them to identify and develop their unique combination of strengths, talents and passions, and to challenge them to find a purpose for their lives which such attributes can serve.

The Place

The Grange is situated in Hartford, a thriving village in its own right but also, in effect, an extension of the town of Northwich. Part of the Vale Royal of Cheshire, equidistant from Manchester and Liverpool, with Chester only 15 miles away, it is a delightful area to live in; nowhere is more than a few minutes from lovely countryside; hills, coast, even mountains, are within easy reach; and the nearby cities provide terrific opportunities that supplement the cultural, sporting and commercial life of the area. There is a good variety of housing available to suit all tastes and budgets; both staff and pupils travel to the school from a wide area and a variety of both urban and rural locations. In short, the standard of living in the area is attractive and sought after.

Our Curriculum

In most dictionaries the word curriculum is usually defined in terms of 'the courses of study offered by a school or college'. At The Grange our definition is much closer to the context in which the word –whose original Latin meaning is 'race track' or 'lap'- was originally understood in education in the early twentieth century: the 'course' represented by all those experiences through which children become successful adults in society.

Consequently, we understand that everything we do in school from which our young people learn about the world and themselves is a part of our curriculum. They learn from their studies, their involvement in activities outside the classroom, their relationships with their peers and their teachers, their successes and (often more helpfully) their mistakes.

Thus we define our curriculum in an all-embracing and holistic way. We structure it to include our Academic Programme, our Enrichment Programme and our Personal Development Programme.

Job Description

The Role:	Teacher of Latin and Classical Civilisation
Reporting:	The Head of Latin and Classical Civilisation
Qualifications:	A recognised teaching qualification e.g. Degree plus a PGCE or equivalent
Salary:	Dependent on experience

This job description should be seen as enabling rather than restrictive and will be subject to regular review.

Job Purpose

The Opportunity

The Grange is seeking to recruit a Teacher of Latin and Classical Civilisation on a full time and permanent basis.

The Classics Department is a team that brings a passion about all aspects of the Ancient World – linguistic, literary, cultural and historical to The Grange School. The department caters to the many different ways that Grange students engage with the Ancient World – from introducing them to

Latin in Year 7 to preparing students for A-Level and beyond, and each member of the department helps with the responsibility for planning and delivering this. Latin is taught to all students in Year 7 and a very large number of these (over 50% of the year group) choose Latin as one of two foreign languages with which to continue to Year 9. Latin is offered at GCSE and A Level while Classical Civilisation is offered at A Level (OCR for both). We also have students who want to study Classical Greek to GCSE level outside the timetable so a knowledge of Classical Greek is desirable but by no means essential.

The successful applicant will be responsible for the teaching and learning of Latin and Classical Civilisation [OCR] to Senior School students at The Grange School and the role would therefore include teaching the subjects up to A-Level standard.

Exam results in the Classics department have been good, in line with those of the rest of the school, with most A-Level Latin and Classical Civilisation candidates getting A or A* grades, with a few Grade B's over the past few years. In GCSE Latin we have large cohorts (from 21 to 32 over the last five years) and students have done very well with the majority getting grades from 9 to 6.
