Claremont School is an independent, co-educational day and boarding school for 700 pupils from 1 to 18 years old. The School operates over two sites. Claremont Preparatory School was founded in 1925 and is situated on the outskirts of St Leonards-on-Sea; this site includes the Nursery, Pre-Prep and Prep and occupies a 125 acre estate, with extensive playing fields and woodland. Pupils here range from 4 months to 13 years old. Claremont Senior School was founded in 2011 and is situated eight miles to the north of the Prep School in the village of Bodiam. This is a 12 acre site for pupils from 13 to 18 years old. Claremont also has two boarding houses; one in Battle and the other in St Leonards on Sea. Between the two houses there is capacity for 108 boarders. Claremont School is part of the International Schools Partnership, who currently own 27 schools around the world. Claremont School has been graded as 'Outstanding' in every category, in all three of its last Ofsted inspections.

Teaching at Claremont is focused relentlessly on providing a positive and active learning environment for students. The emphasis is on facilitating learning rather than providing a proscriptive teaching environment. This is encouraged through the school's 'Amazing Learning' agenda. Teachers are encouraged to take risks and promote positive decision making amongst the student body. There is an expectation that teachers at the school are as involved outside the classroom as they are in it, recognising that some of the most important learning experiences may take place in more pastoral or co-curricula settings. While the school day and week is demanding the rewards and opportunities are significant with teachers deliberately given the autonomy to develop their practice and skills and seek

learning opportunities for all students.

Claremont offers a Pension scheme through Scottish Widows
