

KENT COLLEGE

INDEPENDENT DAY AND BOARDING SCHOOL FOR GIRLS 3-18

KENT COLLEGE PEMBURY

Teacher of Business

September 2021

Full time or Substantial Part time

This role would suit an NQT

Background

Founded in Folkestone in 1886, Kent College is an independent day and boarding school for girls, with a Senior School (ages 11-18) and Preparatory School (ages 3-11) sharing the same site, facilities and some specialist staff. From September 2020 the Prep School, welcomed boys into the Nursery (rising 3's). This will mark the beginning of a gradual transition for the Prep School in becoming fully co-educational by September 2027. The school is one of a group of twelve schools within the Methodist Independent Schools Trust. The school has a resident Chaplain who leads the Christian worship in the school.

Since 1939, Kent College has been located on 75 acres of beautiful countryside in Pembury, near Tunbridge Wells. The school campus comprises an elegant Victorian manor house and purpose-built modern facilities, including boarding houses, a music centre, science building, sports hall, A level study centre, and an indoor, heated swimming pool. The school is committed to a continuous programme of development and the resources are excellent. IT provision is first-rate, including the number of interactive white boards, laptops and data projectors. In 2008, a new science wing was opened, providing inspirational science laboratories, and recent boarding refurbishment includes an extension of ICT facilities to individual study areas. The Countess of Wessex Theatre reopened in 2012 following extensive refurbishment and an iconic Library and Arts Centre opened in spring 2013. Our additional Sports Hall was opened in October 2015 and All Weather Pitch in autumn 2016.

The Senior School

The current roll in the Senior School is approximately 400 and attracts pupils from all over the world. Entry at eleven and thirteen is by the GL CAT4 test and the school accepts quite a wide range of academic ability, with approximately half of our KS3 intake within the top 25% of the national ability range.

Kent College offers a choice of over 26 GCSE subjects, with group sizes usually between three and eighteen. Most pupils complete 10 GCSEs or IGCSEs, but there is the opportunity to take more or less depending on interest or need. In summer 2019, 62% of GCSE grades awarded were 9-7 and the school's value added, based on predictions at KS3 baseline data, was among the best in the country. Excellence was seen in core subjects such as English, Languages and Science, with 93% of all English grades being 7-9. The school is in a highly competitive area with grammar schools, strong comprehensives and many independent schools locally.

Students are also accepted for entry at 16+ and there are approximately 100 pupils studying for A-level courses. In 2019, at A-level there were 72% A*-B grades and 37% A*-A Grades. We offer around 27 subjects: A-levels in most subjects and BTECs in PE and Drama. Class sizes at 16+ normally range between three and 12. Scholarships to the Senior School are offered at 11+, 13+, 16+ and means-tested bursaries are available.

The Prep School

In 1945, a Prep School, 'Aultmore' was opened in the centre of Tunbridge Wells and in 1989; it was moved to the main school site in Pembury into architect-designed purpose built accommodation. The move also enabled the Prep School to benefit from a range of excellent facilities, which now include an indoor heated swimming pool, two sports halls, professional theatre, dining hall and all weather pitch as well as extensive play areas and superb Forest School.

The Prep School is a friendly, caring and happy school with a current roll of approximately 110 pupils aged 3 to 11 (Nursery – Year 6). The majority are day pupils with a small number of boarders. In addition to the core subjects of English, Maths and Science, all of the pupils in Key Stage 2 study Geography, History, Art, DT and RE, ICT Taught from Year 1 upwards. Specialist teachers in Music, French, Drama, PE and Swimming work with pupils throughout the school and Mandarin is now also taught in Year 6. Class sizes in KS1 and KS2 are normally a maximum of 18. Each year, a number of pupils apply for and are awarded scholarships to the Senior School. From September 2020, we welcomed boys into the Nursery (rising 3's). This will mark the beginning of a gradual transition for the Prep School in becoming fully co-educational by September 2027.

Inspection

The school underwent a full integrated inspection by the Independent Schools Inspectorate in December 2015 and was found to be excellent in all areas. A compliance Inspection was carried out in January 2019, the inspection was a great success and the findings affirm the excellent quality of education and care that we provide here at Kent College. The reports together with other information about Kent College can be found on our website at www.kent-college.co.uk

Benefits

Kent College Pembury employs over 200 people in both academic and support staff positions. The school excels in adding value both academically and pastorally and the highly skilled, dedicated and passionate staff are the driving force behind this.

We are delighted to welcome applications from candidates who share our core values and who are able to contribute to our continued future success. We recruit staff of the highest calibre who will inspire, support and challenge the pupils, and fellow colleagues, to achieve their full potential.

We believe in rewarding our staff and offer a complete range of employee benefits including:

- Reduced school fees on permanent roles
- Meals whilst at school during working hours
- Reimbursement for eye tests
- On-site Flu Vaccinations
- Employee Assistance Programme for Staff Wellbeing
- Free on-site parking
- On-going professional training and development
- Use of fitness suite (at allocated times)

Kent College Pembury is a happy and thriving school, offering a broad education aimed at developing character, inter-personal skills and all-round wellbeing. This is reflected particularly in our Growth Mindset, and Sport and Wellbeing programmes. It is hoped therefore staff joining the school would share the same sense of openness and enthusiasm that we aim to cultivate in our students.

The Post

An exciting opportunity has arisen for an outstanding specialist to join the Business department at Kent College. We are seeking someone with enthusiasm, vision and skills to support this successful department. The person appointed will be a Business specialist with the ability to inspire, motivate and challenge their classes. Applicants should have high expectations of pupil achievement and behaviour, excellent organisational and time-management skills, and enjoy working as part of a team.

The Business Department

The Business department has grown significantly in recent years and teaching is split between three members of staff. At GCSE, we follow Edexcel GCSE Business 9-1. GCSE classes typically comprise 10-16 girls per class and we normally have between two and three classes. We follow the Edexcel Business and Economics courses at A level. Business is particularly popular with our students and there are typically between 6 and 12 girls per A level class. In the past year, we have also offered the LIBF Level 2 course, and we are interested in developing the Level 3 qualification and reinvigorating our Young Enterprise programme.

Students are encouraged to keep up to date with current economic issues and classroom discussions are focused on these. We are fortunate in having students from many overseas countries, which provides an interesting international perspective to discussions. Many girls go on to university to continue their business related studies.

Salary

Kent College's salary structure is based on the national Teachers' Pay Scale according to experience, albeit with enhancement, together with the school's own management and responsibility points. Kent College also offers the staff the opportunity of moving to the upper pay range of teachers' pay, including progression from U1 to U2, on KC criteria; existing threshold achievement to U2 will be honoured. The post holder will be eligible to join the Teachers' Pension Scheme operated by the Teachers' Pensions Agency.

Application process

The completed application form, including the names and addresses of two referees, cv and a letter of application should be sent to the Headmistress, Ms Julie Lodrick, Kent College, Old Church Road, Pembury, Tunbridge Wells, Kent TN2 4AX by letter or email (hr@kentcollege.kent.sch.uk)

Closing date: Thursday 25 March 2021 by Midday

Interviews Likely to be WC 29 March 2021.

Candidates are encouraged to apply well before the deadline. We reserve the right to interview candidates before the closing date.

References will be taken up prior to interview. One of the referees should normally be the applicant's current or most recent employer. The post requires the highest level of clearance through the Disclosure and Barring Service (DBS).

Kent College is committed to safeguarding and promoting the welfare of children. Appointees must be prepared to undergo child protection screening Child Protection and welfare are taken very seriously at Kent College, with
