Dear Colleague,

I am delighted to provide an application pack for the role of Personal Progress Tutor at Joseph Chamberlain Sixth Form College. I hope you will find this information interesting and that it will help you in taking your application forward.

As the only Sixth Form College to have been awarded the Queen’s Anniversary Prize for Further/Higher Education, we are a popular and oversubscribed college with a national reputation for excellence. Our 40 million pound state-of-the-art building and garden opened its doors in September 2008 and we are delighted that our new campus was awarded the Prime Minister's Prize for the best public building in the UK. In our ninth learning year in the new building, it still looks immaculate and staff and students are proud of our learning environment.

Our most recent Ofsted inspection was an enormous success and we were awarded a grade of ‘outstanding’ in all categories.

We are persistent in our desire to deliver excellence for all of our students and this means that offering them outstanding learning experiences is the focus of everything we do. We want our students to be happy and successful in later life, achieving excellent examination results and enjoying a wide range of exciting opportunities that broaden their experience along the way. To this end, we place a strong emphasis on the quality of our teaching and learning. We aim to deliver inspiring lessons to our students and our teachers work collaboratively to ensure that learning is both rigorous and innovative. We are equally proud of the pastoral support we offer to our students to ensure that they succeed and proud of the enrichment opportunities we provide.

All current and future colleagues joining our excellent team of teaching and support staff should therefore have a strong drive and determination for the success of our students, providing positive role models for them and caring about their wellbeing. To work at JCC, we hope you will aspire to be an outstanding colleague and be willing to share ideas with and learn from your colleagues. In return, we will provide you with first-class facilities, outstanding resources and a wide variety of professional development opportunities.

Finally, I would like to wish you the very best of luck with your application for the post and genuinely appreciate the investment of your time in the process.

Best Wishes,

Elly Tobin
Principal

Information about the College

Joseph Chamberlain Sixth Form College was established in 1983 and now offers a wide range of academic and vocational courses from Entry Level to Level 3. Our curriculum offer and entry criteria are highly inclusive, offering clear progression routes to success for all students, regardless of their starting points and backgrounds. Approximately 80% of our work is with 16-18 year olds at Level 3, who study AS/A2 Levels or Level 3 BTEC Extended Diplomas. At Level 2, we offer BTECs and a comprehensive GCSE programme to 16-18 year olds; at Entry Level and Level One, we have a relatively extensive ESOL provision for both 16-18 year olds and 19+ learners.

In addition, our Adult Learning Directorate offers both daytime and evening classes in Literacy, Numeracy, GCSEs, Languages and a range of Vocational Provision to the local community, taught in a wide range of community venues across the city. Our ‘College for International Citizenship’ offers a leading international programme in global citizenship for students locally, nationally and internationally. We work in partnership with a number of providers and franchise a small part of our provision to Birmingham Theatre School, The Birmingham Finance and Management Business School, Birmingham Ethnic Education Advisory Service (BEEAS) and Bordesley Green Girls’ School. We also host weekend provision for the Birmingham Chinese and Arabic Schools on Saturdays. Our wider curriculum is also rich and varied and students benefit from a great deal of choice in sports, additional languages, performing arts, fundraising activities, an annual Model United Nations Conference and various other student-led clubs/societies.

In 2017, Joseph Chamberlain College achieved A level pass rates of 99% for the fourth year running and the best results in the history of the College. In our recent inspection in 2017 we were graded as ‘outstanding’ in all categories and we continue to provide a broad, inclusive and high quality education to all of our learners that results in some of the highest levels of progression to Higher Education in the sector.

The College is situated within easy reach of Birmingham city centre in a state of the art building with superbly equipped classrooms and outstanding facilities. We were featured in the 2015 Parliamentary Review for best practice in further education and were awarded the CPD Mark last year for our comprehensive package of innovative and high impact professional development. We support all newly qualified teachers to achieve QTS or QTLS, and are part of a local teaching alliance. We have also been short listed for the 2017 TES Sixth Form College of the Year Awards.
Background and Job Purpose

The role of Personal Progress Tutor is a very important one in the College. A few years ago, we made the decision to appoint a team of specialist tutors who would be responsible for the welfare, development, learning behaviour and academic progress monitoring of a caseload of students. Prior to this decision, each teacher had a tutor group but we decided to move away from this model and change to a dedicated team, led by two Senior Pastoral Managers and a Director of Studies (Student Support, Development and Guidance).

The Personal Progress Tutor will be the key initial point of contact for each student, acting as mentor and coach to them but also ensuring that the student takes responsibility for excellent behaviour, commitment to study and high levels of attendance/punctuality. Each Progress Tutor will be responsible for approximately 160 students and will be expected to deliver a one-hour tutorial on a weekly basis to a number of groups.

The Personal Progress Tutor team is highly positive about improving the life chances of young people, passionate about the success of students and support each other well.
