Be Kind. Be Brilliant.

The Clevedon Learning Trust (CLT) was launched on 1st January 2015. The CLT is currently formed of twelve schools in two geographical areas; one secondary and five primary schools in Clevedon and one secondary and five primary schools in Bridgwater. The CLT brings with it a new, innovative and student focussed approach to education within local communities. The CLT will provide high quality education and experiences for children and families. We will achieve this through our formal school partnership, using the most effective teaching and learning strategies, the best resources and facilities and the clearest progression routes for our children from the age of 0 to 18.

Clevedon School is an 11-18 Mixed Comprehensive ((1285 on roll inc. 179 in Sixth Form) which was judged in October 2011 to be Outstanding. We are committed to excellence and are ambitious for further improvement. The school has a clear vision and is known for innovation and strong student ethos. Clevedon is an attractive coastal town south of Bristol and the school is situated in beautiful wooded surroundings.
