Holmer Green is a popular 11 to 18 school with 1000 students (100+ in the Sixth Form) and is expanding. As a school we are in the top 10% of schools nationally for KS4 progress and in the top 5% of schools nationally for KS5 progress. As part of our expansion plan we are also looking forward to a range of new modern facilities.

We can offer 8 staff training days (not the 5 you find in most schools), a two week October half term, professional development of a high standard. We take our staff well-being seriously and offer weekly activities, like team sports.

Holmer Green Senior School is looking to appoint a permanent, full-time, outstanding SENDCo to lead our committed team of specialist staff in the Learning Support Department and our Additionally Resourced Provision for Speech and Language.

We are looking for a passionate person who is ambitious for our students and community and will support our inclusive ethos and who can improve the quality of outcomes for students with SEN or a disability.

Applications are sought from high calibre professionals who have the skills and talent to continue to develop the faculty and work with and lead our committed team.
