

Principal Information Pack

Dear colleague,

We are looking for a new Principal to lead Ark Blake Academy at this important stage of its journey and development. The new leader will join our young and growing secondary school, with great potential and strong foundations to build on.

We opened our doors to the community of East Croydon in September 2020 and we are now an over-subscribed secondary school with over 500 students across years 7, 8 & 9. Our school benefits from brand new, state-of-the-art facilities and is becoming a school of choice in the local community.

As one of the newer schools in the Ark network, Ark Blake has access to the dedicated support of a highly successful MAT with a well-regarded professional development offer for leaders and teachers at all levels. The appointed Principal will join a team of dedicated and collegiate Ark Principals in South London.

Ark Blake was established on the shared values of bravery, leadership, aspiration, kindness and endeavour. We believe in the unique potential of each child and seek to empower our students to achieve academic excellence and develop as individuals. As Regional Director I aim to recruit a Principal who shares these values and who has the drive and commitment to ensure that high expectations and rigour lead to excellent experiences and outcomes for our community.

We are keen to hear from high-potential leaders who would benefit from being part of a large, successful network of schools, as well as more experienced Principals looking for a new chapter in their career and the opportunity to have real impact.

We warmly welcome confidential conversations about the role and visits to our school. If you are interested in finding out more about this opportunity, please contact me at Sian.Maddrell@arkonline.org

Kind regards,

Siân Maddrell Ark Regional Director

Ark's Six Pillars

1. High Expectations

We believe that every child can achieve great things. So we set high expectations for all our pupils, and we do whatever it takes to meet them. Our aspirations are no lower for our most vulnerable pupils.

2. Excellent Teaching

A teacher affects a pupil's achievement more than any other factor. We work side-by-side with teaching staff, supporting them with training and development so that they can deliver excellent teaching. To make sure that no pupil is left behind, we've developed data management tools which help teachers to monitor progress — this shows when pupils, or indeed teaching staff, need extra support.

3. Knowing Every Child

We organise our schools so that every child knows, and is known well by, every adult in the school. We also recognise that children do best when families and schools work together. We keep parents well informed about children's targets, and we involve families in all aspects of school life. To nurture a love of reading and develop fluent communication skills, we also dedicate more time to literacy and English. We make sure that all of our teachers recognise the barriers that children face in building literacy skills, and we offer tools and expertise to enable teachers to best support students who need more help.

4. Depth for Breadth

When children build firm foundations in English, maths and other key subjects, they find it easier to do well in other subjects too. That's why we prioritise depth in these subjects, giving our pupils the best chance of success. We've developed *Ark Curriculum Plus* which aims to improve attainment, enjoyment and confidence in key subjects. Their approach is based on tried and tested methods from around the world, and is endorsed by Ofsted. Ark Curriculum Plus has over 1000 Mastery programmes being used across the country in Mathematics, English, Science, History and Geography across primary and secondary schools.

5. Exemplary Behaviour

Our schools are characterised by a respectful environment, where teachers can focus on teaching and pupils can focus on learning. We teach, recognise and reinforce good behaviour, and we don't tolerate poor behaviour. We don't accept any excuses, and we don't make any either.

6. Always Learning

To make sure children have enough time both for core subjects and for extra-curricular activities, many of our schools run a longer school day. Others are open at weekends and during school holidays, offering masterclasses and revision sessions. Many Ark schools offer residential stays, day trips and summer schools. In every school, no time is wasted — every hour of every day is devoted to children learning.

Ark Values

We have high expectations of ourselves and of each other

BE BRAVE

We take on challenges and are prepared to say and do difficult things if that's what's needed

We care about what we do and how we work with each other

KEEP LEARNING

We're open to new ideas and we learn from our mistakes as much as our successes
