Dear Potential Applicant,

Thank you for your interest in the post of Business Teacher at BSiX.

The College is making rapid progress. This is well documented in three pieces of research conducted by the UCL Institute of Education and acknowledged in recent visits by an Ofsted inspector.

We are looking for teachers who believe that the way to raise achievement in the inner-city is to have the highest expectations of our students and to give them the best possible experience. We are proud to be a non-selective comprehensive college, offering courses at all levels and across a range of applied ('vocational') and academic disciplines.

If you share these beliefs, then I do hope that you apply. You will find BSiX a tremendously interesting, exciting and rewarding place to work.

If you would like to find out more about the College and its ethos, please visit our website on [www.bsix.ac.uk](http://www.bsix.ac.uk). Our Facebook page, in particular, illuminates the day-to-day life of the College.

Yours sincerely
