Endon High School

Deputy Headteacher

Recruitment Pack

"Plus est en vous" There is more in you Working together to go beyond our best

Dear applicant,

Thank you for requesting details for the position of Deputy Headteacher. Please take time to read through the recruitment pack to understand more about the role and our school. If you are someone who thrives on challenges and believes in the potential of all young people, then we look forward to receiving your application. The Governors of Endon High School are seeking to appoint an inspirational and highly motivated Deputy Headteacher, with excellent leadership and management skills to support the Leadership Team to lead, develop and improve our school.

First impressions are always very important. I believe that when you visit our school, you will be struck by the really positive relationships between our staff and students. This is a very friendly school. Ofsted 2018 reported that "Pupils speak highly of the respect and trust they receive from their teachers". Our school is a relatively small secondary school which helps us to build strong relationships and to get to know each student as an individual. There is an outstanding pastoral care system in place, recognised through national awards as well as by Ofsted.

Endon High School is proud of its record as an inclusive school. We have a strong track record of welcoming youngsters with a variety of backgrounds: some have physical disability; some have emotional or behavioural issues; some have learning difficulties. We believe that our ability to meet the needs of the individual enriches the whole school community.

Endon High School is a high achieving school. Our academic results are excellent, not only for the more able students but for every child, including those who have learning difficulties or special needs. The staff work exceptionally hard to try to get the best possible results for every student.

Central to the smooth running of a school are high standards of discipline. We believe that good behaviour and respect are essential and we work hard to maintain high standards, expecting and receiving support from parents.

One of the many strengths of this school is the opportunity for students to take part in a wide variety of enrichment activities. There are many residentials, both in the UK and abroad. Students take part in outdoor activities; musical opportunities are superb; sports teams enjoy success both locally and at county level; opportunities in art are fantastic; many exciting trips and activities relate to specific subject areas.

The school is proud of its rich extended schools programme called the Endzone with numerous clubs and activities available each day for an hour after school. We encourage all of our students to take part in at least one of these. However, the programme is so varied that many students stay for five sessions each week!

I feel very privileged indeed to be Headteacher at Endon High School. I am looking for a person with integrity who is genuinely committed to improving the life chances of young people and adults, not only at Endon High School but also in the local community.

Please refer to our website www.endon.staffs.sch.uk for further information about our school.

Please ensure you complete the application form and provide a letter of application, no longer than 2 sides of A4, which clearly highlights your suitability to undertake this role. This should be returned to Mrs J Sawyer, <u>j.sawyer@endon.staffs.sch.uk</u>. I look forward to receiving your application.

Yours faithfully,

Mr Andrew Skelding Headteacher

Our School context

Endon High School is a relatively small (706 pupils on roll) comprehensive school set in a semi rural location between the market town of Leek and the urban conurbation of Stoke-on-Trent.

Pupils come from the catchment of Endon, Bagnall and Brown Edge, which is generally a fairly advantaged area in terms of socio-economic make-up although there are clear pockets of deprivation. In addition, almost half the intake opts in from the nearby Authority of Stoke-on-Trent (the boundary is only about half a mile from the school). The school is regularly oversubscribed and cannot grow in size owing to the obvious physical restrictions of the site.

If you were to ask staff and parents what characterises Endon High School the answers would be: high academic standards; good relationships between staff and pupils; a strongly inclusive ethos (we have a very successful SEND Department who perform outstanding work with pupils with physical disability and those with specific medical conditions such as autism), and a rich and diverse extra-curricular provision. Parents also cite good standards of behaviour and discipline as a positive feature of the school.

We believe that by giving every young person the opportunity to do more, they have the ability to be more.

Responsibility & Leadership. A positive contribution. Our aim is to create a better tomorrow today by growing confident young leaders, preparing young people to step forward, adapt to change and positively impact their future and that of others. Encouraging them to act now, we empower young people to make a real difference. Excellent transition links and high quality relationships with all primary schools and tertiary providers. A valued member, in the heart of the Endon, Stanley & Brown Edge community. Our place in a MAT. We cherish everyone's wellbeing, where every single one of us is wholly committed to our work, but has time to enjoy life beyond Endon High School, with family and friends, so that the school/home balance is in true harmony and we embody a celebratory, sustainable approach to life.

The school is environmentally friendly and sustainable.

Next steps...

Dear applicant,

An update regarding Endon High Schools journey towards Academy conversion.

For a long time Endon High School Governors have sought to determine the best future path for the school. This led our Governors to undertake many months of discussions and investigations looking at the possible paths that our school could take. This included looking to establish a Multi Academy Trust in the local area, partnering with another local secondary school or joining established, local Multi Academy Trusts.

Over the past twelve months, the Academy Working Group, which reports to Governors, has discounted the options that were deemed unsuitable, unworkable or that we decided we would not have the capacity to make work to the benefit of our school. They therefore recommended to Full Governors that we should join a local, established Multi Academy Trust.

There then followed investigations, shortlisting and a series of presentations from a number of Multi Academy Trusts, which were in turn followed up by further research. Following this process, Endon High School's Governors have voted to move forward to investigate whether joining the Shaw Education Trust will best safeguard the schools future and allow our pupils now, and in the future, to thrive.

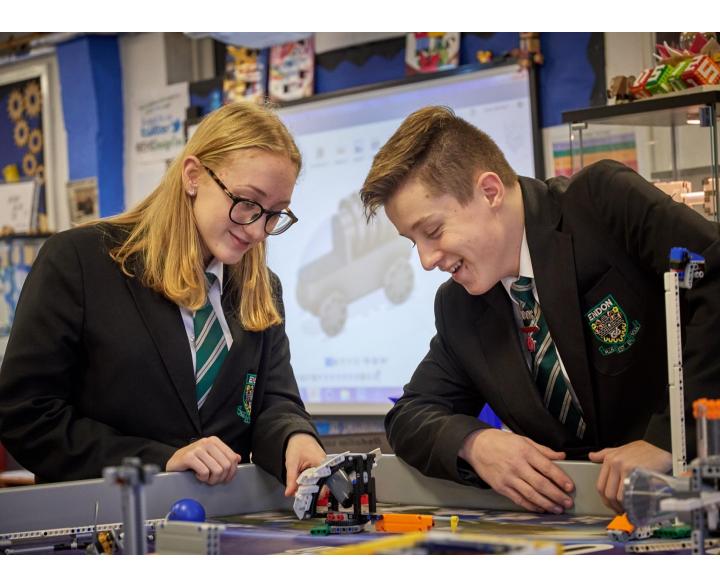

Over the coming months we will be working closely with the Shaw Education Trust, and their cluster of schools, to properly understand the benefits, and possible pitfalls, of Endon High School joining the Trust.

We are excited to be working with an established Trust which we believe shares our school values and has the expertise and capacity to support our school to thrive.
