We are seeking a teacher of science to join our vibrant and successful science department for one year although this may be extended. The department is dynamic and innovative in its teaching and benefits from well-equipped science laboratories. We are a popular, over-subscribed and high-achieving school and this is an opportunity to work in a friendly, supportive, well-resourced and forward-looking environment. Our staff benefit from access to the UK's leading provider of corporate healthcare cash plans provided by UK Healthcare, we are part of the cycle to work scheme, and have out of hours access to our brand new gym facilities (depending on local Covid restrictions at any given time.)

If you are interested and wish to come and visit us or require more information regarding the role, please contact Mr J Galbraith, Assistant Headteacher by telephone or email (jgalbraith@parklandsacademy.co.uk).

Candidates should complete an electronic application form, available from the school website, along with a letter of no more than 3 sides of A4, in which you outline your experience and suitability for the position.

Applications are available from the school website and should be returned to the email address hr@parklandsacademy.co.uk.

Closing date for applications is 12 noon on Monday, 6th Dec 2021

Interviews will be held week commencing Monday 6th Dec 2021, although we reserve the right to interview early applicants sooner.

Please note, we reserve the right to withdraw this vacancy at any time and regret we are unable to contact individual applicants who may be unsuccessful. Parklands High School is committed to safeguarding and promoting the welfare of its staff and pupils and expects those working at the School to share this commitment.
