"Pupils have a strong sense of belonging and pride in their school. They value and respect their peers and the adults who work with them. Staff are committed to St Edward's, and the school's strong sense of community arises from its embedded culture of respect for the wellbeing, rights and dignity of all." (Catholic Schools Inspection; November 2023).

The governors at St Edward's are looking to appoint an excellent, enthusiastic and highly motivated teacher to join the staff of this ambitious; forward-thinking and welcoming Roman Catholic school. Applications are welcome from teachers with a range of experience – the class and year group that will be taught will be dependent on the skills and expertise of a successful candidate. Across school, there are opportunities to plan together and to work closely in partnership with other experienced teachers and to drive change in a subject area of the curriculum. As part of the Emmaus Catholic Academy Trust, there are opportunities to work with and share good practice with colleagues across the academy footprint.

“Emmaus Catholic Academy Trust is committed to safeguarding children and young people. All post holders are subject to appropriate vetting procedures as outlined in Part 3 of DfE, KCSiE 2023, this includes a satisfactory Disclosure and Barring Service Enhanced with barred list information check”.
