“

“For me, school was not solely focused on achieving great results. It was having a support network (staff, pupils and fantastic facilities) that inspired me in so many other ways. The College showed me that learning comes in many forms and shaped me personally: this will be with me forever”

**THE
GOOD
SCHOOLS
GUIDE**

“A concerted effort to improve results through academic rigour, targeting and ‘working smarter’ has paid off – now among top 20 UK co-ed independent schools. Without five centuries of history to draw on, Bishop’s Stortford College isn’t widely known, but is among the generation of schools founded in the Victorian era that are quietly succeeding.”

The Good Schools Guide

Our mission is to **build confidence for life. Our College is a wonderful place of learning – a place large enough to provide an outstanding range of opportunities for developing well-rounded, skilful and happy young people, yet small enough for each individual to be nurtured.**

We have the time and space and, above all, the commitment, to discover and develop the potential within children, wherever their talents lie. As a day and boarding school for 4-18 year olds, with boarding starting from the age of 7, we cater for boys and girls of different ages within the family and for the individual needs of different families.

At the heart of the College, are people. It is the energy and imagination of College staff, and their enthusiasm to go that extra mile, which creates the opportunities, experiences and very special atmosphere that our pupils enjoy and adds immeasurable value to the education we provide.

Breadth of experience is naturally woven into daily life. Our pupils can, and do, pursue high academic standards whilst enjoying, and succeeding in, many other interests. Our love of life and learning enables pupils to grow into well-rounded, skilful, caring and confident people, equipped and ready for the adventures and opportunities life has to offer.

Following substantial investment, in 2017 we opened a new day house and three new boarding and day houses which means we are now able to offer boys and girls, state of the art, en-suite boarding accommodation with the very latest in modern facilities. They are something we are enormously proud of.

Bishop's Stortford College employs circa **320** teachers, professional, support and technical staff. Together, these employees work as a community with a shared aim; to provide **exceptional opportunities** for their pupils.

BENEFITS OF SERVICE

The College offer a range of benefits that include:

- **Pension and salary** - The College offers generous salaries and eligible Professional Services staff are able to join the College Pension Scheme, we operate the TPS for Teachers. There is an onsite Pensions Advisor who will help you decide what is the best scheme for you.
- **30 days annual leave (Pro rata)** - We think balancing work and personal life is important, which is why all 52 week staff enjoy thirty days holiday from their first day of employment.
- **Life insurance** - Employees who have joined the College Pension Scheme, will also receive life insurance. This means that if the worst happened, your family may be eligible to receive a lump sum based on your salary.
