MESSAGE FROM THE TRUST

Dear applicant,

We are delighted that you are considering applying for a role within the White Rose Academies Trust. Your interest comes at an important and exciting time in the development of the Trust and our relentless implementation of our 2025 vision. At the heart of this vision is the aim for more young people and colleagues to benefit from our community-focused philosophy; the belief that the education we deliver regenerates our communities and transforms lives.

In December 2020, we reached our first milestone when Mill Field Primary School joined our Trust as a sponsored academy. Already, this truly community-focused Primary Academy has enriched our Trust and so, our vision is one step closer to becoming reality. Therefore, you could not be joining us at a more exciting point in our ongoing transformation. As we look forward to the prospect of many more schools joining us, the reality is that this could be a pivotal moment in your career. As we grow, the opportunities within our Trust and the wider Luminate Education Group are limitless.

The power of a vision is best measured by the number of detractors who claim it cannot be achieved. In our roles as Chief Executive Officer and Executive Principal of the White Rose Academies Trust, it has been a privilege to witness the drive and determination with which our staff have implemented our vision, to ensure that our academies provide:

- world-class levels of teaching and learning,
- bespoke pastoral care that nurtures our students' aspirations,
- inspiring learning environments where our students can make mistakes and overcome their personal fears to become the best version of themselves,
- industry-leading continuous professional development for all staff, as investing in our colleagues is always the right thing to do,
- local centres of community transformation.

The hard work has been recognised, and whilst we know our work is far from complete, we are proud to have reached several milestones:

- 'Good' Ofsted ratings at all three secondary academies in 2019, with an 'Outstanding' rating at Leeds City Academy for Leadership and Management.
- We welcomed Mill Field Primary Academy in late 2020, our first primary school to join our Trust.
- We began an aspirational journey in 2021 by joining High Performance Learning's 'World Class' school transformation programme.

Our dedicated staff, incredible governors and amazing students are relentless in their shared aim to create truly world-class schools. The Trust strives daily to empower its Academy Principals to create schools that truly represent the communities they serve. We insist that our academies and our Trust are externally focused, obsessive in their quest to learn from the very best, never leaving self-improvement to chance. We see vacancies such as this as an opportunity to attract talent, bringing the best practice into our Trust. By joining us, you become a crucial part of the team that will deliver our powerful vision. Together, we will transform lives.

THE WHITE ROSE ACADEMIES TRUST "WE SAID WE DID"

Yours sincerely,

Mr Andrew Whitaker
CEO, White Rose Academies Trust
Deputy CEO Teaching and Learning,

MESSAGE FROM THE PRINCIPAL

I am absolutely delighted to share this amazing opportunity at Leeds City Academy, as we seek to recruit another talented and aspirational professional to join our team.

I am sure that having read about the White Rose Academies Trust, Leeds City Academy, our students and our continued journey of transformation, I am confident you will be keen to become an integral part of building something remarkable.

We have established a unique, positive and transformative 'In Partnership' culture at Leeds City Academy which truly sets our school apart from others. This culture is founded and built upon six key values that each drive and permeate everything we do, how we behave, our relationships and all strategic decisions. Our 'In Partnership' values are affectionately referred to as the DNA of Leeds City Academy and this is something our wonderful students, staff, parents and community are immensely proud of. We strongly believe that our vision and strong culture will help us not only transform the lives of our young people but transform the local communities which we so passionately serve.

The academy has enjoyed an impressive period of transformation across the last four years and was judged as 'Good' overall by OFSTED in April 2019, securing an 'Outstanding' judgement for the quality of Leadership and Management. The quality of education and teaching is very strong, student behaviour is extremely impressive, and the support provided for students is unrivalled. Results continue to rapidly improve and this year saw our students secure the best results in the school's history.

We continue this journey of transformation and are determined to provide an exceptional quality of education and culture for all students at Leeds City Academy, with the ambition that all students excel both academically and as aspirational and inspirational young people. There is no better time to join Leeds City Academy, as a colleague, a leader or as a student.

Leeds City Academy is a unique and very special place to work. Our philosophy is grounded equally in securing the highest professional standards and supporting and caring for all professionals. As a key member of the White Rose Academies Trust and ground-breaking Luminate Education Group, all professionals benefit from exceptional CPD like no other in the City. A broad, varied and highly personalised package is well-established, driven by the latest educational research, focused on the development of all professionals in the organisation at each career stage. Colleagues train with us, grow with us and progress with us.

Our academy is an extremely unique and amazing inner-city school, situated in the Woodhouse area of Leeds. The student body has nearly doubled in size over the last three years and now boasts just over 800 students in attendance. There is a vibrant, rich and amazing culture in the academy, characterised by the over forty different countries and first languages represented by our inspirational student body. Students and staff are incredibly proud of their academy and determined to work 'In Partnership' to secure further improvements and achievements.

We benefit from increasingly impressive facilities. The last twelve months have seen significant investment in a comprehensive building and refurbishment programme, resulting in a range of new specialist classrooms, learning and office spaces, new dining facilities, updated sports accommodation and changing rooms. This improvement programme will continue over the next twelve months, leading to improved specialist teaching spaces and the transformation of our outside space so that students can enjoy physical activity, relax and socialise with their friends in an amazing and inspirational environment.

So, now it's over to you...

- Are you eager to join a forward-thinking organisation committed to securing the highest educational, professional and personal standards?
- Do you feel you will thrive within a culture that is driven by clear values that permeate everything we do?
- Are you keen to learn, develop and work 'In Partnership' with colleagues, students, parents and the community?
- Do you feel passionately about transforming student lives and the opportunities provided to our communities? If so, then we would be delighted to hear from you.

Yours sincerely,

Mr Richard Chattoe
Principal
