

## Teacher of Chemistry The Green School for Girls

Dear prospective candidate,

Thank you for your interest in applying for the above post at The Green School for Girls. The Green School for Girls, established in 1796, is a highly successful school with an excellent reputation and is one of two schools run by The Green School Trust – a Church of England Multi Academy Trust serving the young people of West London. The Trust's core purpose is to develop schools which expand the hearts and minds of students within a supportive, inclusive, multi-faith environments founded on Christian values. The motto for The Green School for Girls is "Let your light shine" (Matthew 5:16) and serves to illustrate our belief that everyone has the potential to achieve and excel. We are very proud of our consistently high Progress 8 Scores (2019 0.49) which we achieve whilst offering a broad, balanced and enriching curriculum.

The Trust intends to appoint aspirational and innovative teachers who will drive standards of excellence, curriculum development and pedagogical approaches which will inspire and motivate students within the subject area. As a subject teacher you will plan and develop learning experiences which will foster a culture of high expectations, achievement for all and care for each individual within a dynamic learning environment where each student will be stretched, stimulated and supported to make excellent progress. The offer of Chemistry as a first subject would be an advantage.

The Science Department consists of a large specialist team. We currently teach the AQA GCSE and A level specification. Our co-curricular provision offers Chemistry club, visits to industrial labs and university lectures and masterclasses. As part of our Ad Astra programme at Sixth Form we also provide the BMAT Chemistry element to support students aspiring to study medicine with successful applications made to Imperial College and Cambridge University.

We value our staff and we work collaboratively to provide professional support, C.P.D. and the sharing of good practice across both The Green School for Boys and The Green School for Girls. Staff are expected to be involved in all aspects of school life and contribute to the ethos and co-curricular life of the school. This is an exciting time to join the Trust as it begins a period of growth alongside The Green School for Boys which opened in September 2017.

To apply you should complete the TES application form and write a supporting statement of no more than three sides of A4 (calibri size 11) explaining how your professional experience has prepared you for the role with reference to the person specification and job description.

If you would like to visit the school please contact my PA Julie Hart [j.hart@tgstrust.com](mailto:j.hart@tgstrust.com). I very much look forward to receiving your application.

Yours sincerely,

Mrs Sally Yarrow  
CEO & Executive Headteacher
