KING HENRY VIII COLLEGE

Job Description & Information

Teacher of Physics

Appointment for August 2019

Dear Applicant,

Thank you for your interest in joining the team at King Henry VIII College Malaysia.

King Henry VIII College is a new school, and is a close collaboration between Christ College Brecon, one of the UK's most ancient schools, and DBH Holdings Sdn Bhd of Malaysia. King Henry VIII College is a fully-fledged sister school to Christ College, and our aim is to replicate its structure, ethos, and achievements.

Christ College is an historic co-educational independent day and boarding school set in the Brecon Beacons National Park - one of the most beautiful areas of the United Kingdom. King Henry VIII College has a rather more modern, urban setting in the global tech hub that is Cyberjaya - a rapidly-developing planned township, mid-way between Kuala Lumpur City Centre and KL International Airport.

King Henry VIII College opened in September 2018, and growth is already encouraging.

Our founding group of teachers is undoubtedly our greatest asset, and the successful applicant for this position will join a lively pioneering team. Each member of that team has a vital role in setting the tone at the school, and ensuring the school establishes itself successfully in Malaysia and South East Asia.

We look forward to receiving your application for this teaching role, which is described here.

Best wishes,

Simon Spencer

Founding Head

TEACHER OF PHYSICS

Job summary:

All teachers of Physics report to the Head of Science, and are expected to teach a full timetable. At both IGCSE and AS/A Level, the Department follows the CIE syllabus. Though not essential, the experience of teaching Physics at AS/A level is preferred for this post.

We are looking for an inspirational teacher who will put the students' needs first, and identify with the ethos of this new school in Malaysia. The Sciences are a popular area of study at the school, and are delivered by confident, experienced practitioners.

For this position, applications from NQT's are welcomed. Applicants for a previously advertised Physics post need not apply.

Candidate profile

The successful applicant will have appropriate qualifications, and a clear understanding of professional expectations.

These include, but are not limited to:

- being a dedicated teacher, supporting all students with their learning
- demonstrating excellent subject knowledge in core subjects
- having a close understanding of the UK National Curriculum
- keeping abreast of teaching and learning developments
- understanding the applications of ICT in classroom teaching
- being prepared to work with students from many nationalities
- having a positive approach to working within school structures
- meeting deadlines set by senior colleagues
- sharing good practice
- setting consistently high expectations for students
- ensuring lessons are thoroughly planned and prepared
- demonstrating an ability to assess and evaluate effectively
- understanding and applying relevant school policies
- becoming fully involved in the life of the school
- taking part in the School's staff development programme
- contributing to co-curricular activities for Primary students
- keeping up to date with child protection issues
- undertaking any reasonable task as directed by the Head of Primary
- attending INSET training courses and taking responsibility for CPD
- contributing to the marketing and promotion of the school

Safeguarding:

King Henry VIII College Malaysia is committed to the well-being of all the children in our care, and to all acknowledged Safeguarding procedures.

All teachers at the school must have up-to-date Safeguarding training and understand their safeguarding responsibilities.

Checks & paperwork: This post - prior to contract - is subject to:

- An Enhanced Disclosure and Barring Service Check (DBS)
- Formal proof of identity with photo ID (Passport/Driving Licence)
