Whether it be major projects or smaller but significant improvements, there is a common desire to ensure the very best facilities possible for our students. The heart of Worth beats as it has always done but the body around it grows, subtly and proportionally as the School strides forward from its 60th anniversary into a seventh decade and beyond.

Working at Worth is an opportunity to be part of a vibrant, diverse and welcoming community. We recognise that delivering continuous improvement is key to the success of every individual and to the School as a whole.

Our support staff are essential to the overall success of the school, their skills and expertise allow the School to function effectively across all areas, providing the essential resources and expertise required to support teaching and learning.

We know we work better when we work together and our team want to make a genuine difference and make a lasting impact on colleagues, students and the wider community.

We encourage our support staff to be continuously engaged in their role by providing opportunities to participate in the wider life of our school, such as tickets to the school plays and staff social events. We also provide staff updates each term including information about changes, initiatives and improvements, and the opportunity to celebrate successes.

OUR MISSION STATEMENT

Worth School welcomes its pupils into a Christ-centered education in goodness, truth and beauty, to form them in humility for service and leadership in a changing world.

ABOUT THE SCHOOL

Worth is a leading, independent, co-educational Catholic school of around 600 pupils, aged between 11 and 18—the majority of pupils are boarders but there is also a strong contingent of day pupils. The School occupies a stunning rural location, with a campus of 500 acres, enjoying spectacular views across the Sussex Downs. The location lends the school an air of exceptional tranquility and beauty. At the same time, Worth is very conveniently located: London is thirty-five minutes by train, and Gatwick Airport, Three Bridges Station and the M23 are all within six miles.

The Schools objectives include:

- Being healthy: enjoying good physical and mental health and living a healthy lifestyle
- Staying safe: being protected from harm and neglect
- Enjoying and achieving: getting the most out of life and developing the skills for adulthood
- Making a positive contribution: being involved with the community and society and not engaging in anti-social or offending behaviour
- Economic well-being: not being prevented by economic disadvantage from achieving their full potential in life.

Pupil welfare issues are addressed across the life of the School, through the dedication of staff to the ethos of the School. The pupils at Worth are taught and regularly updated on how to stay safe, including on-line and with their peers, and the staff have termly safeguarding updates via briefings and newsletters.

VALUES

Although the Rule of St Benedict was written some 1,500 years ago for religious communities, it is a clear and practical guide for the complexities of 21st century living. Within our Benedictine ethos we discover how to structure community living which enables the individual to find personal strength, success and contentment whilst also establishing a genuinely supportive environment.

At Worth, we recognise that everyone in our community is on a personal spiritual journey. By a positive approach to community living, we aim to enable all staff and pupils to develop their gifts and talents so that they are equipped to fulfil their unique purpose in the world. Staff are able to derive inspiration from our Six Values:

- Community – we grow as individuals through a life of inter-dependence
- Worship – God is placed at the centre of our lives through communal worship
- Humility – we are honest about our strengths and weaknesses
- Stewardship – we honour the goodness of God's creation by our care for the environment
- Service – in serving others we meet Christ and grow in love of each other
- Silence – silence is required for prayer and reflection

The values underpin our community life at Worth and all staff and pupils, whether they hold faith or none, are asked to respect them.

ETHOS

Worth's origins are in the Benedictine monastic tradition, whose central tenets include hospitality, community, humility and a life lived in relationship with God. At Worth we want to educate boys and girls in the things of deep and lasting value to help give their lives real purpose. We think that to educate young people means to form them in their attitudes to themselves, each other and the world.

At Worth we recognise that everyone in our community is on a personal spiritual journey. Our experiences and relationships can be transformed on a daily basis by the power of God's love and by our response to that love. Our Benedictine tradition encourages young people to go on a journey of self-awareness and understanding—a journey in which they are supported by the entire community.

SAFER RECRUITMENT AND DIVERSITY

At Worth, there is nothing more important to us than the physical and emotional health and well-being of our pupils and staff alike. We have created a safer culture in which staff, pupils, parents and governors feel able to articulate concerns comfortably; safe in the knowledge that effective action will be taken, as appropriate.

Our Child Protection and Safeguarding Policy applies to all adults, including volunteers, working in or on behalf of our School, in term and out of term time. We expect everyone working in, or for, our School to share responsibility for keeping children and adults at risk safe from harm and abuse, and to report any concerns to our Designated Safeguarding Lead or his Deputy.

Worth School and Abbey is committed to safeguarding, safer recruitment and promoting the welfare of children, young people and adults at the risk of harm and expect all our employees and volunteers to share this commitment. Our comprehensive recruitment and selection processes aims to discourage and screen out unsuitable applicants. Applicants must be willing to undergo appropriate rigorous pre-employment checks including detailed reference checks, a safeguarding interview and a criminal record check via the Disclosure Barring Service.

We have robust procedures in place for visitors to the site and carry out full recruitment checks on any adult who spends time regularly with our pupils. We have created our recruitment and selection policy to ensure Safer Recruitment practices are carried out throughout the School and these are applicable to all staff.

We are equally committed to eliminating discrimination and encouraging diversity. We aim for our workforce to be representative of society and that each employee feels respected and able to give their best. We are committed to providing equality and fairness in our recruitment and employment practices and not to discriminate on any grounds. We oppose all forms of unlawful and unfair discrimination.

Support Staff

The Worth team is made up of circa 270 employees working in the School, Abbey and Farm. We have a varied range of careers and employ a range of individuals in a variety of roles within our Teaching and Support teams. We are flexible on working arrangements and have staff working full, part and term time. We engage the services of self-employed individuals and volunteers for specialist areas such as sports coaches or musicians.

Working for Worth invites you into a caring community of dedicated individuals who ensure the smooth running of our site, which runs 24 hours a day, 365 days a year. Our Support team includes Maintenance, Catering, Transport, Household, IT, Grounds, Farm, Finance, HR, Medical and Secretariat departments, whose functions are to facilitate the running of the School and Abbey. Our dedicated team work all year round to provide a highly efficient service and a conducive environment for learning and development.

Many of our staff have enjoyed long careers at Worth, having developed their abilities through external training providers and internal opportunities. A number of staff have retired but remained on a casual basis, helping out at peak times including holiday lettings and exam periods. Newer members of staff grow and develop their abilities, working collaboratively across departments and sharing knowledge and understanding or new or different ways of working.

hospitality and I believe we really do outperform every other school. It is not just breakfast, lunch and dinner: it is that and so much more; it is hospitality on a grand scale.

ACADEMIC

Academically, Worth prides itself on getting the very best out of its pupils. The School offers a broad academic curriculum, with a wide choice of GCSE subjects and the chance to study A Levels or the International Baccalaureate Diploma Programme in the Sixth Form. The majority of our pupils go on to gain places at the best universities, including Oxford and Cambridge. The School enjoys a strong reputation for supporting all pupils through their academic journey, and seeks to bring out the very best in them all.

CO-CURRICULAR

Worth has a long tradition of commitment to the performing arts. We have strong Music and Drama departments, and each year the School presents a full, varied and challenging programme of high-quality performances. The Art department has recently benefited from a multi-million pound refurbishment. An extensive games programme is in place, and a very wide range of other activities is offered within the extra-curricular programme including voluntary service and the Duke of Edinburgh award scheme. Over 50 clubs and societies are offered.

PASTORAL CARE

Outstanding pastoral care for every individual boy and girl is at the heart of Worth School. Our distinctive Benedictine tradition and concern for the well-being of each individual are lived out by the school community in its day-to-day existence.

Every boy and girl, day or boarding, is a member of a House under the leadership of a House Master or House Mistress who, supported by their Deputy, has overall responsibility for the pupil's pastoral care and welfare. In addition, every pupil is assigned a Tutor and every House also has a Chaplain and a Matron who manage the domestic affairs of the house and also provide further invaluable pastoral support. The Medical Department provides 24/7 care and support and there is a professional counsellor, and a network of independent listeners, whom the pupils may contact.

There are five boarding houses at Worth. Younger boarders share rooms; most Sixth Formers have their own single study bedsits. Whilst the accommodation varies between the Houses, each Boarding House has common recreation areas, a library and a kitchen for the use of the pupils. All Houses have Wi-Fi and internet access. There are four day houses which provide study space and communal facilities for students from Year 9 upwards, and a junior house for all Year 7 and 8 day pupils.

The Catering Department & The PitStop Café

The Catering Team currently supply 300 breakfast, 750 lunch and 300 supper meals a day during the school term, in addition they provide for hospitality events including Speech Day for up to 1500, Leavers Ball for 300, Summer Fete for up to 1500 people. The team also provide packed lunches for trips and sports teams as well as match teas which can be in excess of 200 meals.

There are two main locations within the School, the Refectory, which was refurbished in the summer of 2019 and a "Pit Stop" café, which is open into the evening. John Surtees, father of the late Henry, wanted something at the School in memory of his son, which is how the Pit Stop was created. During the majority of the day it is our Sixth Form Centre, transforming into a dining hall for Years 7 and 8 at lunch time giving them a smooth transition into the school.

At Worth we are home to the monastic community who are provided with meals from the main kitchen. There are 20 monks who we feed 365 days a year (including Christmas Day).

The catering team is in excess of 30 people from destinations around the globe, working in a community within the heart of the school. The department has a total budget of over £1m per annum.
