What do our staff say about working at Frederick Bremer?

Frederick Bremer puts creativity and vision at the heart of everything it does as a school. As a member of staff here I have truly felt that this innovative way of working has allowed me to progress in my career rapidly and with full support. The curriculum is inventive and holistic and takes into account the wellbeing and needs of the pupils, the staff and the wider community.

Head of Creative Curriculum

As someone who believes in inclusion it is fantastic working in a school that teaches students about the subject and allows students to feel safe to express themselves. The school has an LGBT+ club, a BAME club and I work within our fantastic SEN department. I'm proud to work in an establishment that recognises: 'It is not our differences that divide us. It is our inability to recognize, accept, and celebrate those differences.' We ensure all can be proud of their differences

I have been able to develop professionally because of the support and trust placed in me. Career and professional development is a key area at this school. Whether you want to develop within the area you are currently working or move into a new area everyone is given an opportunity to progress. I wouldn't be where I am today without Bremer. Working here has provided me with that key commodity that working parents lack; time with their child[ren].

working at Frederick Bremer because this is a school that really helps teachers to develop. I love teaching pupils who love to learn, try their best, and are extremely personable and positive. I love working in a richly diverse school who care and place an emphasis on teacher well-being and who are hugely supportive with my career

I love

I started here as a temporary receptionist nearly 7 years ago and am now an admin team leader, line managing reception. I love working at Frederick Bremer because I feel valued and have had great career development over the years, having learnt so much. Working with a brilliant group of people has always been a bonus too!

I love working at Frederick Bremer because staff and students can be exactly who they are. Diversity and Equality are high on the agenda and pupils are seen as more than statistics on a league table

Senior Assistant Headteacher

Having trained to teach at Bremer, I have continued to work and develop here for the past 4 years. Bremer's diversity and inclusion are two aspects of our community I like the most. Our students have creativity, character and drive, which makes my job enjoyable. The school has provided me with opportunities to develop my own practice, and as a result I run our new whole school Wellbeing Curriculum. No other local school addresses student wellbeing in this way, and it's exciting to be at the forefront of delivering this new initiative.

Frederick Bremer has given me the skills to be a successful and impactful leader. All the staff here are optimistic, supportive and always ready to go the extra-mile. Each and every pupil is known individually by staff and this supports their development and progress in every way. I am proud to work in a school that has done so much positive work to promote LGBT+ equality and well-being and equality for all staff and pupils.

I have worked at Frederick Bremer for 7 years now, including 6 years as Head of MFL. The main reason I have stayed here so long is because of the amazing students and the cohesion of the staff. I love working in such a diverse community. Everyone gets on and supports each other. You only have to spend 5 minutes in the building to sense what a community feel it has to it. Students from different backgrounds and year groups all play happily side by side every day. Without the support of senior management and friendly colleagues, this job can be tough. As a working mum, I have been fully supported and even after taking a year of maternity leave off, management have been supportive in continuing to develop me professionally.

My job gives me the opportunity to have a positive impact on people's lives and make a difference every day. I go home and I know I made a real difference. I am proud to say I work at Frederick Bremer School and am honoured to still be a part of the family after 10 years. Being a part of Bremer keeps me smiling which is good for my soul and my psychological wellbeing. I love that I'm encouraged to try new things out and be innovative through professional development.

Safeguarding and Legal Documentation

Safeguarding Summary

This summary sheet is for all staff working, volunteering or officially visiting the school including those on supply or other short contracts (even if for only a day). Ensuring such staff read this sheet contributes to the school's commitment to safeguarding and promoting the welfare of pupils. All of us should aim to proactively safeguard and promote the welfare of children so that the need for action to protect children from harm is reduced.

We are committed to embedding a culture of vigilance in everything we do.

As an adult in this school you have a duty of care towards all pupils. This means you should act at all times in a way that is consistent with their safety and welfare. Be alert to signs and indicators of possible abuse (a checklist is available from Reception as part of the Safeguarding Policy and summarised below). If you have a concern about a child, particularly if you think s/he may be suffering or at risk of suffering harm, it is your responsibility to share the information promptly with the Designated Member of Staff for Child Protection (Ben Lyon) or the Deputy Lead (Deborah Davies). In the absence of a designated member of staff you should report to the Head teacher (Jenny Smith).

The following is not an exhaustive list but you might become concerned as a result of:

- seeing a physical injury which you believe to be non-accidental
- observing something in the appearance of a pupil which leads you to think his/her needs are being neglected
- witnessing behaviour which gives rise to concern
- a pupil telling you that s/he has been subjected to some form of abuse

In any of these circumstances you should write down what you observed or heard, date and sign the account and give it to the designated teacher.

If a pupil talks to you about (discloses) abuse you should:

- Stay calm
- Do not communicate shock, anger or embarrassment
- Reassure the child. Tell him you are pleased that he is speaking to you
- Never enter into a pact of secrecy with the child. Assure him that you will try to help but let the child know that you will have to tell other people in order to do this. State who this will be and why.
- Tell her/him that you believe them. Children very rarely lie about abuse; but he may have tried to tell others and not been heard or believed
- Tell the child that it is not his fault.
- Encourage the child to talk but do not ask "leading questions" or press for information
- Listen and remember
- Check that you have understood correctly what the child is trying to tell you
- Praise the child for telling you. Communicate that s/he has a right to be safe and protected
- Do not tell the child that what he experienced is dirty, naughty or bad
- It is inappropriate to make any comments about the alleged offender
- Be aware that the child may retract what s/he has told you. It is essential to record all you have heard
- At the end of the conversation, tell the child again who you are going to tell and why that person or those people need to know.

You are not expected to make a judgement about whether the child is telling the truth. If the behaviour of another adult in the school gives rise to concern you should report it to the Head teacher.

Remember: share any concerns, don't keep them to yourself.

Policy Statement on Recruiting Ex-Offenders And Safekeeping of Disclosures

The policy objective of London Borough of Waltham Forest on disclosure information is:

- To ensure that disclosure information is used fairly in the recruitment process to prevent discrimination against **staff, volunteers, service users, potential employees and ex-offenders** on the basis of conviction or other details.
- To maximise the protection for children in Waltham Forest schools and other vulnerable people against those who might wish to harm them.

To achieve our policy objectives and to comply with the Disclosure and Barring Service (DBS) Code of Practice under Section 122 of the Police Act 1997, London Borough of Waltham Forest, as a Registered Umbrella Body for Disclosure, undertakes to implement the following general provisions.

General Provisions on Disclosure Policy

1. Recruitment Process

London Borough of Waltham Forest will carry out risk assessments for each position and encourage managers to adopt an open mind in recruitment decisions. In making recruitment decisions our managers will:

- Assess the nature and relevance of the offence, the potential risks involved in employing the offender, and how these could be sensibly and effectively managed.
- Focus on a person's abilities, skills, experience and qualifications.
- Consider the nature of the conviction and its relevance to the job in question.
- Identify the risks to our business, customers, clients and employees.
- Recognise that having a criminal record does not always mean a lack of skills,
- Note that high-quality training, leading to qualifications is available in prison
- State the level of Disclosure applicable to any posts that requires a Disclosure
- Discuss any matter revealed in a Disclosure with the person seeking the position before withdrawing a conditional offer of employment.
- Ensure that where a Disclosure is to form part of the recruitment process, we encourage all applicants called for interview to provide details of their criminal record at an early stage in the application process. We request that this information is sent under separate, confidential cover, to a designated person within your school and we guarantee that this information will only be seen by those who need to see it as part of the recruitment process.
- Only ask about "unspent" convictions as defined in the Rehabilitation of Offenders Act 1974, unless the nature of the position allows London Borough of Waltham Forest to ask questions about your entire criminal record.

- Include in application forms or accompanying materials a statement to the effect that a criminal record will not necessarily be a bar to obtaining a position. Where a Disclosure is required, all application forms, job adverts and recruitment briefs will contain a statement that a Disclosure will be requested in the event of the individual being offered the position.

2. Recruitment of Ex- Offenders

Unless the nature of the work demands it, ex-offenders will not be asked to disclose any convictions 'spent' under the Rehabilitation of Offenders Act 1974. Having an 'unspent' conviction will not necessarily bar an individual from employment. This will depend on the circumstances and background of the offence(s).

London Borough of Waltham Forest meets the requirements in respect of exempted questions under the Rehabilitation of Offenders Act 1974, therefore all applicants for positions of trust who are offered employment will be subject to a criminal record check from the Disclosure and Barring Service before the appointment is confirmed. This will include details of cautions, reprimands or final warnings, as well as convictions.

3. Declaration of Convictions

Applicants will be actively encouraged to declare any convictions, or any other information that may be relevant, at an early stage in the recruitment process. **Failure to declare a conviction, caution or bind-over may, however, disqualify an applicant from appointment, or result in summary dismissal if the discrepancy comes to light.**

4. Training

We ensure that all those in London Borough of Waltham Forest who are involved in the recruitment process have been suitably trained to identify and assess the relevance and circumstances of offences. We also ensure that they have received appropriate guidance and training in the relevant legislation relating to the employment of ex-offenders, e.g. the Rehabilitation of Offenders Act 1974.

5. Storage & Access

Disclosure information is never kept on an applicant's personnel file and is always kept separately and securely, in lockable, non-portable, storage containers with access strictly controlled and limited to those who are entitled to see it as part of their duties.

Documents are kept in lockable and non-portable storage containers. Keys or combinations for such storage units are **only** available to named individuals. Access to rooms containing storage containers are restricted to staff engaged in recruitment work.

No photocopy or other image of the Disclosure is retained, nor is any copy of the contents made or kept. However, records will be kept of the date of a Disclosure, the name of the applicant, the type of Disclosure, the post in question, the unique number issued by the Bureau and the recruitment decision taken, as well as a written record of the names to whom disclosure information has been revealed.

6. Handling

In accordance with section 124 of the Police Act 1997, Disclosure information is only passed to those who are authorised to receive it in the course of their duties. We maintain a record of all those to whom Disclosures or Disclosure information has been revealed and we recognise that it is a criminal offence to pass this information to anyone who is not entitled to receive it.

There may be circumstances where a recipient of Disclosure information is asked to reveal details of a Disclosure to a third party in connection with legal proceedings for example, in a case submitted to an Employment Tribunal. In such instances London Borough of Waltham Forest will inform the Bureau of any such request **immediately and prior** to the release of any information.

7. Usage

Disclosure information is only used for the specific purpose for which it was requested and for which the applicant's full consent has been given.

8. Retention

Once a recruitment (or other relevant) decision has been made, Disclosure information is kept for a period of up to six months, to allow for the consideration and resolution of any disputes or complaints.

If, in very exceptional circumstances, it is considered necessary to keep Disclosure information for longer than six months, we will consult the DBS about this and will give full consideration to the Data Protection and Human Rights of the individual subject before doing so.

London Borough of Waltham Forest will not keep any photocopy or other image of the Disclosure or any copy or representation of the contents of a Disclosure. However, we will retain the top part of the Disclosure certificate as proof of having received the document once the six-month retention period has elapsed. This contains the details of the applicant along with a reference number known to the DBS, but does not contain details of any convictions. *(References in this section to Disclosures include relevant non-conviction information supplied by the police but not included on Disclosures.)*

9. Disposal

Once the retention period has elapsed, we will ensure that any Disclosure information is immediately destroyed by secure means, i.e. by shredding, pulping or burning. While awaiting destruction, Disclosure information will not be kept in any insecure receptacle (e.g. waste bin or confidential waste sack).

10. Lost Disclosures

If Disclosure information (or information contained within the Disclosure) is lost, the Bureau will be informed immediately. The Bureau will consider whether to issue a replacement, if this is requested.

11. Availability of Policy

A copy of London Borough of Waltham Forest's Policy on employing people with criminal records is included in recruitment material. We make every subject of disclosure aware of the existence of London Borough of Waltham Forest's full disclosure policy and handling of disclosures and the DBS code of practice. These will be made available to staff, potential employees and service users on request.

12. Assurance checks

London Borough of Waltham Forest will implement internal audit checks on the disclosure process and co-operate with the Disclosure and Barring Service in respect of any compliance enquiries and related matters.
