About Fulwood Academy

Fulwood Academy was started in 2009, and is the first Academy in the Dunstone Education Trust. It is an 11-16 Academy, with a 782 pupils on roll and has been growing each year. Here, we believe that what matters most is our pupils. We understand that building positive, respectful relationships between everyone in our Academy is really important in making Fulwood Academy a truly exciting place to work and learn. We believe that it is our pupils and staff coming together to work and learn that makes our Academy such a special place to be.

We provide a friendly, supportive, but structured environment, in which pupils are given every opportunity to flourish. We have a commitment to professional development for employees with structured fortnightly CPD time and a culture of change and improvement with strong support from our Senior leadership team and the Trust Board. We are proud of our Academy, our staff, and our pupils, and are ambitious for the future.

We have reviewed the curriculum at Fulwood Academy to ensure it is broad and balanced with a degree of personalised learning established and continually developing. We believe that learning should be interesting and enjoyable. While we support pupils to develop their knowledge and skills, we encourage them to ask questions, develop their understanding and build their confidence in their own abilities. We provide our pupils with a wide range of opportunities for them to develop, both during their time at school and externally as well. Most of all, we aim for our pupils to leave Fulwood Academy as well-rounded young people; pupils who have been nurtured and encouraged but challenged and understood. We want our pupils to leave Fulwood Academy as confident learners with the skills, knowledge and, importantly, the qualifications that they need to succeed in the 21st century and contribute to their community.

Fulwood Academy opened its brand new building in September 2012 offering £23million worth of state-of-the-art facilities. It is a medium sized 11-16 mixed academy, occupying a distinctive site in the heart of the local community. It is located less than three miles from the City Centre of Preston and is also within 5 minutes' drive of both the M6 and M55 motorways. The Forest of Bowland, Lake District and Yorkshire Dales National Parks are all less than 45 minutes' drive from the Academy, and the large cities of Manchester and Liverpool are both less than an hour. All this adds up to make Fulwood Academy a fantastic place to live and work.

Why choose Fulwood Academy?

Our Staff and Pupils

Fulwood Academy employs around 100 permanent staff across a wide variety of functions.

Our September 2017 intake was the highest Year 7 intake in the Academy's history and in September 2019 we are expecting to have our highest number of pupils on roll yet. Since moving to the new building in 2012, intake numbers have increased by around fifty percent. This year's intake took our total pupil numbers to 782 pupils. Our optimum pupil number would be 1000 across all year groups. We expect to have over 900 pupils on roll within the next 3 years.

Throughout the year we hold a number of events where we celebrate the successes of our pupils and of the Academy.

These include:

- Awards Evening to celebrate our Year 11 leavers'
- Prize Giving for Years 7 - 10
- Lunch with the Chair of Trustees
- Leavers' Prom
- Termly celebration assemblies
- Hot Chocolate Friday's with the Principal

These events present the perfect opportunity for our staff and pupils to come together in a social environment to celebrate all that has been achieved throughout the year.

Fulwood Academy also has a strong sense of social responsibility, therefore, alongside the above events we hold a number of charity events throughout the year that our staff and pupils actively participate in. These include book fairs, craft fairs and coffee mornings.

Following successful consultation with our parents/carer(s), the Academy now operates from 8:30am allowing for more CPD to take place each morning prior to the start of lessons.
