

## Values

To reflect the values of the Trust by:

- working with **integrity** by delivering on your promises; demonstrating high levels of competence; and winning the trust and respect of your colleagues;
- showing **resilience** by accepting responsibility; being able to receive and give honest feedback; persisting when things are difficult; showing courage to do what needs to be done; and remaining optimistic that challenges can be overcome.
- demonstrating **ambition** by aspiring to the highest standards and maintaining an optimistic approach to the management of change.
- building a sense of **community** that places a high value on maintaining positive, supportive relationships between all its members.
