New Hall School

The Best Start in Life

Appointment of

Teacher of Geography

Applications will be considered on a rolling
basis until midday, 22 April 2025

Start date: 1 September 2025

Welcome from Mrs Jeffrey, Principal

"Thank you for your interest in this opportunity at New Hall School. I joined the New Hall School community 22 years ago and, now that I am the longest serving Head of a school in HMC, I am often asked what has kept me here. It started with that first visit, in 2001, which blew me away. I remember meeting confident, characterful, good-humoured students, who made a lasting impression on me with their kindness and their evident pride in being part of the New Hall community. They spoke with passion about the work of the New Hall Voluntary Service (NHVS) as being central to School life. Their generosity of spirit and commitment to the care of those in need turned out to be a hallmark of a New Hall education. This is a place with a remarkable sense of community. At first, you will be attracted by the stunning heritage site, but, above all, it is the people who keep you here. I would not want to

move anywhere else. As a parent, I could not have asked for a better education than New Hall gave my four children. The staff team here work with remarkable commitment and care to ensure that our children have the 'best start in life'. This is the school that many of us, staff and parents, wish that we had attended. I am looking forward to the next 20-year development plan!

New Hall, from its foundation, has been pioneering and innovative. The School is the UK's oldest Catholic school that has always taken girls; a strong commitment to promote equality, and to address disadvantages in society for girls and women, still prevails. Our outreach and community work led us to be the first independent school to sponsor a state primary school academy. We were the first Catholic diamond model school and the first diamond model school to be created from a former girls' senior school, with senior boys joining from 2006. The School has invested in exceptional outdoor learning, using its 140-acre campuses.

The School is large and diverse: in age, from 1-19; in size, up to 1,500 students and over 300 staff; in culture, with students from over 30 countries; in religion, as a Catholic school, welcoming all who support our ethos; in structure, offering the full range of flexible boarding options and a mix of co-education and single-sex teaching; and in educational range, with a broad curriculum and an exceptional co-curricular programme. Every day is full of opportunities to learn and grow, for staff as well as for students. It is impossible to be bored here - no two days are the same!

This is a career-defining opportunity, to be part of one of the UK's most successful schools, with an ambitious plan for further development. Where many independent schools are retracting and reducing investment, New Hall is bucking the trend and continuing to grow and to strengthen our provision. We are investing in our Sixth Form Centre, expanding our curriculum, growing our Sport provision (most recently, with the addition of riding, football and basketball) and enhancing our co-curriculum. We are open to opportunities to expand the work of our Trust, both in the UK and internationally, through our links with sister schools and Religious Communities. In particular, we are developing a link with the Ecole Christ Ressuscite, Masaka, Rwanda, and Heilig Graf Secundair, Turnhout, Belgium, which share our Augustinian ethos. New Hall also works closely with the other Catholic independent schools in Brentwood Diocese:

- The Ursuline Preparatory School Ilford (a New Hall Partner School)
- Loyola Preparatory School, Buckhurst Hill
- St Mary's Hare Park Primary School and Nursery, Gidea Park
- Ursuline Preparatory School, Warley
- St Philomena's Preparatory School, Frinton

I hope that you find the information contained in this pack, and on our website, helpful."

Mission & Ethos Statement

New Hall, a Catholic boarding and day school, provides **the best start in life**, enabling students to meet confidently the challenges of the wider world.

Here **academic excellence** is achieved in surroundings where relationships are based on **care, trust and respect**.

We **welcome** students from many traditions, building a Christian **community** that has at its heart **prayer** and **service** to others.

Introduction

An exciting opportunity has arisen for a well-qualified and enthusiastic teacher of Geography to join the team at New Hall School. You would be teaching students across the Senior Divisions (Years 7-13). This position would be equally suited to either a newly qualified or a more experienced applicant.

We seek a highly reflective individual who continually makes improvements to their teaching and can maintain the high quality of education provided by the department. They should either be ready to play a full role in the teaching of A Level Geography or be keen to develop this aspect of their teaching. The successful candidate will be expected to teach at all levels up to Oxbridge entrance.

The Geography Department believes strongly in the contemporary importance of the subject. It successfully inspires and challenges curious students encouraging a love of Geography beyond the restraints of examination board specifications. The department also offers an extensive range of co-curricular activities for the students, such as participation in local and national competitions, visits from various speakers, and both day and residential trips. In recent years the department has led trips to Iceland, China and the Swiss Alps.

The Geography Department is staffed by four subject specialists who are deeply passionate about the subject. Academic standards are high, and the department has much to celebrate when it comes to public examination results. Geography is a very popular choice at GCSE and A Level and several pupils successfully apply to leading universities for Geography every year, including Oxbridge.

Salary & Benefits

Salary

New Hall School has its own salary scale. The current range for this role is £32,160pa-£59,798pa (T1-12).

Pension

Teaching staff are able to join the national Teachers' Pension Scheme (TPS). Pension contribution rates are variable, currently between 7.4% per annum and 11.7% per annum, dependent on salary (employee), and 28.68% (employer). New Hall Governors keep membership of TPS under review.

Training

New Hall is committed to professional development of staff and will support further in-service training as required. There are generous INSET and Continuing Professional Development (CPD) budgets.

Technology

New Hall is committed to promoting the digital literacy of our students. All teachers are provided with a School laptop and iPad to aid their delivery of lessons. Students in Years 3-13 have a School iPad.

Meals in Term Time

Currently, all staff are permitted lunch without charge in term time. Staff having School meals should assist with supervision and take an interest in getting to know students. This is subject to annual review.

School Fee Remission

School fee remission for staff children is granted in accordance with the provision at the time of commencing employment at New Hall. If your child is aged 4-11 and joins the Preparatory Divisions, there is a reduction of one third of the day fees. If your child is aged 11-19 and joins the Senior Divisions, there is a reduction of two thirds of the day fees. There is no staff fee remission for New Hall Nursery/Pre-School (ages 1-4).

Nursery

New Hall runs an on-site Nursery for 90 children aged 1-4. Staff children have priority for places, which may be part time or full time. Staff have the option of a term time only place, which reduces the annual cost.

Sport Teams

Contributions to the sporting life of the School by leading a team attracts a competitive remuneration package for weekend fixtures. This will be paid at a rate of £60 when on site (including home fixtures) and £90 when accompanying away fixtures.

Sport Club Membership

As an employee, you will be able to make use of an annual membership for the New Hall Sport Club (currently £20pa plus £5pa for family members), with effect from your start date. Membership includes Club time use of:

- 25-metre, 6-lane indoor swimming pool
- 10 floodlit tennis/netball courts
- 2 outdoor basketball courts
- Fitness Suite, which comprises a range of cardiovascular equipment and free weights
- Athletics track

Hours of Work

As an independent boarding school, New Hall has long school holidays, including a 2-week October half term, and a summer holiday that always commences in the second week of July or earlier. There may be occasions where you are required to work additional hours for the proper performance of your duties, taking account of the nature of the work in an independent boarding school. A degree of flexibility is required.

For example, teachers are expected to:

- be in School from 8.00am to at least 4.30pm each day, with two days working until 6.00pm
- run one after-School/evening co-curricular club
- attend after-School staff meetings that may run until 6.00pm
- undertake boarding duties on a rota (currently one duty per term, on a Saturday/Sunday, usually for half a day)
- attend Saturday Open Days (twice a year), after-School Parents' Evenings (until around 8.00pm), Prize Giving/Exhibition Days, Taster Days and staff INSET

The Geography Department

Aims

Our central aims are:

- to widen students' awareness, knowledge and understanding of the way the world works, including its physical and human processes
- to engage students in the skills of graphical work, enquiry, creativity, problem solving and action for others
- to encourage in students a sense of community responsibility, environmental stewardship and international action focused on global responsibility
- to foster in students an enjoyment of Geography with a desire for and a capacity to fashion a better world for all people

The Curriculum

At the very heart of the Department is a desire to engage and inspire students in the subject of Geography through the delivery of an outstanding and diverse curriculum. Trips form an integral part of our curriculum and we seek to engage students in the outdoor classroom as regularly as possible. We are fortunate to work in a beautiful and historic school surrounded by extensive grounds which offer opportunities for local fieldwork as well as further afield.

Embracing the all-through nature of New Hall School, the Department is involved with the subject-specialist delivery of Geography within the Preparatory Division. All pupils in Years 5 and 6 receive subject-specialist delivered Geography lessons. This allows for greater vertical integration of the curriculum, enhancing the cumulative knowledge and skill acquisition of the students.

Years 7 & 8

In Years 7 and 8, students follow a diverse programme of study, which includes an exploration of both Physical and Human Geography and seeks to engage and inspire students in some of the key issues facing humanity. Key geographical skills are embedded within each topic and seek to prepare and enthuse students for further study of the subject at GCSE and A Level.

Years 9-11

We start teaching the GCSE content in Year 9, following the AQA Geography specification. Geography is one of the most popular optional subjects at New Hall, with more than two-thirds of all students choosing the subject each year.

Sixth Form

The Department follows the Edexcel Geography A Level specification. A core component is the production of an Independent Investigation, preparation for which takes place on a 4-day residential fieldtrip to Somerset. Geography is a popular choice at A Level. In 2024-25, 44 students are studying A Level Geography. Class sizes between 8-14 students enable effective, collaborative teaching with an emphasis on discussion and the exploration of the subject at the highest level.

Examination Results, Achievements and Awards

The Geography Department regularly outperform national expectations in public examinations. In 2024, 62% of our GCSE students achieved 7+ (A*/A). At A Level, 70% of our students achieved A*-B.

Alumni and University Destinations

A growing number of Geography students are also seeking to pursue the subject at undergraduate level. In the last few years, our students have gained places at a wide variety of university destinations, including Bristol University, University of Birmingham, Exeter University, Lancaster University, Loughborough University, Nottingham University, Oxford University and Queen Mary's, London.

The Geography Department has a good relationship with past students, and we often welcome Old Fishes back to share their experiences with current students.

GCSE Fieldwork at Walton-on-the-Naze

Facilities

The Geography Department resides in the Radcliffe building and offers four spacious and well-resourced classrooms. A Department office is also available, with each departmental member allocated a desk and working area.

The Department is generously resourced, and we replenish and update our stock of fieldwork equipment regularly. The main School site offers numerous opportunities for outdoor learning, with access to ponds and streams, as well as areas of woodland. Furthermore, the School has recently acquired New Hall Park Farm. A former fruit farm, this 50-acre site in the Essex countryside boasts an impressive array of fieldwork opportunities and we have ambitions to establish a field studies centre at this location.

All Senior Divisions teaching staff receive an iPad and a laptop to assist in their delivery of the subject. This technology has enabled the Department to transition to a paperless learning environment via MTeams and OneNote. Each student is given their own iPad, including useful digital applications such as Google Earth.

Continuous Professional Development (CPD)

Geography teachers are encouraged to make use of New Hall's generous training budget, and it is a departmental priority to ensure that teachers engage in regular professional development. The School offers funding (typically 50%-100%) for teachers to undertake post-graduate study in Geography, such as the Education (Geography) MA distance learning course run by UCL.

The Co-Curriculum

Trips and the co-curriculum are at the very heart of the department's ethos. The outdoors brings the subject to life and allows students to apply what they have learnt in the classroom to the real world. We strive to offer a range of trips across the key stages.

Annual trips include:

- Year 7 trip to Walton-on-the-Naze
- Year 8 trip to Colchester Zoo
- Year 10 trip to Walton-on-the-Naze
- Year 12 trip to Shingle Street & Southwold
- Year 12 trip to Nettlecombe Court FSC, Somerset

2019 China Trip

We also make good use of the local area, conducting fieldwork around the Chelmsford area with a range of year groups.

We are also keen to provide more adventurous opportunities to our students through international trips. In recent years, destinations have included China, Switzerland and Iceland.

2024 Iceland Trip

As part of the Department's co-curriculum, a vibrant Geography Society has been established in which students can engage with the subject beyond the specification. Student and staff presentations on a range of global issues have broadened students' understanding of the subject as well as highlighting the numerous cross-curricular links the subject offers. The Department runs activities and competitions linked to annual events such as Fairtrade Fortnight and the COP Climate Change Conference, as well as inviting

guest speakers to address the Society. Geography students are also encouraged to enter external competitions, such as the Royal Geographical Society's *Young Geographer of the Year*.

About New Hall School

New Hall School is a thriving co-educational boarding and day school for up to 1,500 students aged 1 to 19. Founded in 1642, it is one of the oldest Catholic schools and the largest Catholic boarding and day school in the UK. The School's ethos continues to be inspired by its founding Religious Community, the Canonesses of the Holy Sepulchre.

*"True community is where people listen to each other;
where the marginalised and excluded are included".*

(Canonesses of the Holy Sepulchre, 2023)

The charism of our founding Religious Community is service and hospitality; this is lived out in the actions of the volunteers that take part in this thriving and popular programme. Founded in 1978, the New Hall Voluntary Service (NHVS) has been providing help and support to vulnerable members of our local community for over 45 years. Volunteering for NHVS promotes an enduring community spirit, nurtures responsible citizenship and encourages student-led charitable endeavour throughout the local area.

The School is set in a stunning location dominated by the former Tudor Palace of Beaulieu and is surrounded by 70 acres of beautiful parkland and heritage gardens. The also owns New Hall Park Farm, a 70-acre site with an equestrian centre, 3 miles from New Hall. Located just outside Chelmsford city centre, the School is well connected to London – only 20 minutes by train – with a new station due to open at the foot of New Hall's private approach road, The Avenue, in 2025. There are three nearby airports: London Southend, London Stansted and London City. The Elizabeth Line at Shenfield (13 minutes by train from New Hall) has a direct line to Heathrow airport terminals.

An extraordinary school with a distinctive character and close-knit community, New Hall is popular with local, national and international families. The School is oversubscribed at key entry points. An early adopter of the diamond model, it offers a vibrant education for girls and boys, with single-sex teaching in the Senior Divisions for Years 7 to 11, and co-education in the early years, Preparatory Divisions and Sixth Form.

New Hall prides itself on the quality of teaching and learning. Seeking the highest possible levels of academic attainment is a priority. The School is equally proud to offer a rounded education, focused on developing the whole child. There is a strong emphasis on co-curricular enrichment – as recognised in its recent ISI Inspection reports. The School excels in sport, having recently been awarded Outstanding Sport in a Large School by the Independent Schools Association (ISA). Alongside traditional sports, it is home to the largest independent school ski team, benefits from a professional cricket coach, and is proud to include elite national golfers within its student body. With a well-established on-site farm, woodland school, and equestrian centre, the School makes the most of its unrivalled space to embed the many benefits of outdoor education into the curriculum for all age groups.

The School has made extensive capital investments across its estate over the past 20 years. Recent developments include: a purpose-built Nursery, a Sixth Form International Business & Languages Centre, a canopied outdoor performance space, a Chaplaincy suite, outdoor basketball courts, and a second Cookery room.

In 2012, the School established the New Hall Multi Academy Trust (NHMAT) and became sponsor of nearby Messing Primary School – an Ofsted-rated 'Good' school with 'Outstanding' features. It is now looking ahead to new ventures and exciting opportunities to further grow its partnership work.
