Head of RE
The Green School for Girls

Dear prospective candidate,

Thank you for your interest in applying for the above post. The Green School for Girls, established in 1796, is a highly successful school with an excellent reputation and is one of two schools run by The Green School Trust – a Church of England Multi Academy Trust serving the young people of West London. The Trust's core purpose is to develop schools which expand the hearts and minds of students within supportive, inclusive, multi-faith environments founded on Christian values. The motto for The Green School for Girls is "Let your light shine" (Matthew 5:16) and serves to illustrate our belief that everyone has the potential to achieve and excel. We are very proud of our students who leave us as well rounded and responsible citizens and our provision of RE throughout their school journey plays no small part in this.

The Trust is keen to appoint an aspirational and innovative Head of RE who will drive standards of excellence, curriculum development and pedagogical approaches which will inspire and motivate students from KS3 to KS5. This role represents an exciting opportunity to lead a highly successful team of enthusiastic, knowledgeable and highly collaborative teachers who strive for the best RE provision for our students. This is a truly unique chance to contribute to the development of RE with The Green School for Girls. You will help continue to shape our vision of inspiring a love of all aspects of RE, building on our current successes (including excellent GCSE and A level results) to take us to the next level of achievement.

We value our staff and we work collaboratively to provide professional support, Continuous Professional Learning and the sharing of good practice across both The Green School for Girls and The Green School for Boys. Staff are involved in all aspects of school life and contribute to the ethos and co-curricular life of the school. This is an exciting time to join the Trust as it continues to grow.

To apply you should complete the TES application form and write a supporting statement of no more than 1000 words explaining how your professional experience has prepared you for the role with reference to the person specification and job description.
