Inspiring Learning

Dear Applicant,

I could not be more excited about Pinner High School, past, present and future. It is brilliant to lead a new project with supportive local schools committed to sharing their expertise in an aspirational and involved community. The future is exceptionally bright.

I am now looking for more exceptional colleagues who can join me on this journey. Our opening three years were a great success, with very positive feedback from students, staff and parents. They all rated us 'Outstanding' in all categories at the end of our first year. Ofsted rated us 'Outstanding' in all categories in our first inspection in May 2019. Most important of all, we have happy students who are keen to learn, who have settled well into a busy and active secondary school life.

Whilst our opening has been extremely successful, new colleagues will need to lift us to new heights and help us meet new challenges. We have grown quickly to 700 students, but still have some way to go before we reach 1,162 students and complete our refurbishment programme. You will need to ensure our students continue to make exceptional levels of progress and receive first class pastoral care, with access to the highest quality enrichment activities: everything that is involved on our school motto 'Inspiring Learning' that makes our school an excellent, inclusive one for the whole community. We are 'Stonewall School Champions', have the Silver Arts Mark and the Bronze Eco Schools Award. You will need to be supportive of these programmes.

Whilst setting up Pinner High School is immensely rewarding, establishing a new school is certainly challenging. Before opening I created a uniform, met with our local Councillors and Member of Parliament, selected the type of flush mechanism for the toilets, and developed expertise in drainage solutions for DT classrooms. Now open for three years, the school feels much more familiar, but a role at Pinner High School is a varied one that will expand your professional horizons. Our first group of students are our trailblazers, and new colleagues will need the same pioneering mindset.

I am well aware that no matter how strong the foundations, an organisation is only as good as its people. The Pinner High School that we continue to build together is one where colleagues are valued for the contributions they make to the lives of the young people we serve, and are recognised for the opportunities they provide for our students. Over 800 people have applied to work at the school since it was proposed, and I have exceptionally talented and hardworking colleagues. We achieved the Investors in People Health and Wellbeing Award in our first year of opening, and new members of staff will share a commitment to a healthy work-life balance.

If Pinner High School sounds like it is right for you, complete the application form in full and submit a personal statement, of no more than two sides of A4. In your personal statement explain why you want to work with us and why you are the best person for the role. Applications must be emailed to careers@pinnerhighschool.org. Please include your name and the post you are applying for in the subject line of the email and in the file name with which you save your application.

I look forward to hearing from you.
