

Hope Learning Trust, York is a growing multi-academy trust for both primary and secondary schools.

This exciting merger between Hope Learning Trust and the Sentamu Academy Trust gives us the chance to continue to develop as one Trust so that everyone in our communities is given the opportunity to thrive. Schools across both of our Trusts have already been working together since September and so we already have a family of schools who share best practice. Each one of our schools has its own distinctive character, identity and strengths which it brings to the Trust so that we all benefit from each other. We have a very bright future ahead!

Our Vision

Our vision is really very simple. We aspire to provide a place where children and young people can thrive. The aspirations for our existing academies and those joining us are to establish environments where young people thrive. We want our schools to be places where children and young people thrive as active learners; compassionate, kind and creative individuals; caring and engaged citizens; and spiritual beings. We aim to grow together, to serve one another and nurture our children and young people.

In a world of turmoil we offer schools the opportunity to concentrate on teaching and learning, providing you with peace of mind as we look after everything else. Hope Learning Trust, York presents opportunities and expectations that promote success.

As a Trust, we want every young person to experience great teaching, so we place the highest value on developing colleagues at all levels.

By working together we can ensure:

- all children and young people have a school in which to thrive as learners, as individuals, as citizens and as spiritual beings
- all staff and all governors are nurtured
- all children develop spiritually as well as academically
- no school is left behind regardless of its context and challenges, whether these are around size, rurality or levels of deprivation
- that all governance is highly effective in supporting and challenging the local schools
- a better use of resources by collectively sharing central services
- a provision of effective teachers and support staff, sometimes working across schools in new and imaginative ways
- access to training, support and external validation from a team of highly experienced educational consultants who will also support, question and challenge
- a link to a Teaching School to train the next generation of teachers and to support and develop others
- access to national resources such as capital grants through the EFA and other funding only being made available to MATs

Main Pay Scale

As the Principal of Manor CE Academy, I am delighted to introduce our school to you, and thank you for your interest you have shown in applying for a vacancy here.

Manor has a proud history, having served the young people of York for over 207 years. We are a Church of England academy in the beautiful historic City of York and our Christian values guide influence and underpin all that we do. We proudly strive to provide a 21st century education for our young people, founded on Christian belief, and carry on the work that the National Society began in the early 19th century.

We are an outstanding academy with a reputation for academic excellence. In 2020, 80% of our students achieved grades 9-4 in English language or literature and maths, 60% achieved grades 9-5 in English language or literature and maths, these results are very high and well above national averages. 53% achieved the English Baccalaureate at grade 4 and above.

In recent years, we have taken on the role of a National Support School and our Teaching School is at the heart of the EborHope Teaching Schools Alliance, training the next generation of teachers. We are also a founder member of the Hope Learning Trust, York, a growing family of schools working together to transform education within Yorkshire and the Humber.

We are blessed to have state-of-the-art facilities and very supportive families. However, our greatest assets are the 1,000 plus amazing young students and the 140 highly gifted teaching and support staff. Our aim is that all students and staff 'serve others, grow together and live life to the full'. We want to develop compassionate, serving young leaders that work to make their communities and our society a better place, and we try hard to ensure that we keep that in mind in school planning and organisation.
