OUR MISSION AT MORE HOUSE IS TO PROVIDE AN ENVIRONMENT FOR PUPILS TO GAIN THE QUALIFICATIONS THEY NEED TO PURSUE THE COURSES AND CAREERS OF THEIR CHOICE, AND ALSO THE CONFIDENCE AND SELF ASSURANCE TO MEET THE CHALLENGES THAT LIE AHEAD IN AN EVER CHANGING WORLD.

‘MORE HOUSE IS A SMALL SCHOOL WITH A BIG PERSONALITY.’

YEAR 7 GIRL
More House girls are adaptable, resilient, caring and socially aware individuals, educated and accomplished to their full potential, and fully prepared for the fast-moving environment of 21st century life.

At More House we provide the opportunity to learn in a nurturing environment that is high in challenge but low in stress. Our size means that we are small enough to meet the learning needs of each individual but large enough to challenge and provide a wealth of opportunities – academic, sporting, musical and social. We have outstanding pastoral support to enable our girls to flourish in a caring environment that recognises and cherishes them as individuals.

We are not a hot house, we are a green house.

Pupils are encouraged to examine their religious, philosophical and ethical values, to rehearse those difficult questions before they face them for real.

We express our spirituality in how we treat one another, how we serve, what we believe in, and our responsibility for others less fortunate than ourselves.

Everyone at More House is part of a community – we are a large family and not just a school.

All girls are different but all girls matter.

MRS AMANDA LEACH, HEADMISTRESS
INDIVIDUALITY

WE BELIEVE THAT EVERYONE HAS EXCELLENCE WITHIN THEM

Our ethos, environment, small classes and supportive atmosphere will help your daughter grow as an individual. She will develop a positive attitude towards thinking, teamwork, risk-taking and, above everything else, herself. We value and nurture creativity in all its forms. As a result, originality is not just confined to the art, drama, dance and music that fill the school - it is to be found within the classroom as well as outside it.

CREATIVITY

YOUR DAUGHTER’S IMAGINATION IS PRECIOUS

At More House her creative work will help her make the most of this imagination. We will encourage her to find the creativity that lives within all of us and, in so doing, to develop a life-long love and appreciation of the arts, literature, music, sport and intelligent debate. No matter what level of skill she has, we will encourage her to take part and gain the sense of fulfilment which participation brings.

‘THIS IS AN AMAZING SCHOOL, THE TEACHERS FOCUS ON EVERY PUPIL AND ARE ALWAYS THERE FOR YOU WHEN YOU NEED THEM.’

YEAR 7 GIRL
‘THE SCHOOL PROMOTES A VERY CLEAR ETHOS THAT BUILDS CONFIDENCE AND SELF ESTEEM IN THE PUPILS; PARENTS HAVE CHOSEN MORE HOUSE FOR THE CLEAR VALUES IT PROMOTES AND FOR THE FAMILY ATMOSPHERE IT ENGENDERS, WHICH ENSURES THE SUCCESSFUL DEVELOPMENT OF THE GIRLS INTO ADULTHOOD.’

WE ARE PROUD OF OUR CATHOLIC HERITAGE AND ETHOS.
IT GIVES US A SPIRITUAL DEPTH WHICH BENEFITS EACH ONE OF OUR GIRLS

We provide a safe and supportive environment that embraces and respects people of all faiths or none. Our reputation for excellent pastoral care finds its roots here. Within this framework our girls have the space to explore and develop their ethical, moral and spiritual values. They come to understand the benefits of tolerance and respect, the significance of human dignity and the duty of care which all leaders should have. They know what they stand for and appreciate the importance of their uniqueness.

‘MORE HOUSE HAS TAUGHT ME MORE THAN JUST ACADEMICS. I HAVE LEARNT TO BE BRAVE AND TO TRUST MY OPINIONS AS AN INDIVIDUAL.’

SIXTH FORMER
Excellence

No matter where your daughter’s life takes her, she will need the character and strength of mind to exercise self-discipline, provide leadership, work as part of a team, act as a role model, and take decisions.

Her experiences in and out of the classroom at More House will allow her to develop these positive attributes. Her life will be enriched by the many activities we offer as part of the multifaceted cultural and aesthetic life of the school. We will help her lay the foundations for a healthy, happy, contented and successful adult life, whilst also building her physical strength and mental resilience.
‘THE QUALITY OF THE CURRICULUM IS EXCELLENT AND A STRENGTH OF THE SCHOOL, SUCCESSFULLY DEVELOPING THE SPIRITUAL, ACADEMIC AND CULTURAL POTENTIAL OF EACH PUPIL.’

SUCCESS & OPPORTUNITIES

A WELL-FOCUSED, CARING SCHOOL, THAT BENEFITS FROM THE STIMULATION OF THE CITY ENVIRONMENT

The effect of More House School on our pupils is one of a green house rather than a hot house. We want girls to succeed to the best of their ability academically but we also want them to come to love learning, and to become well qualified, intellectually curious, thoughtful, ambitious and successful.

Our girls benefit from a central location in the most vibrant capital city in the world. We make full use of the world-class museums, art galleries and theatres within walking distance of the school.

Where else could you pop out in an art lesson to check something at the V&A, watch your set text being performed by the best Shakespearean actors in the world or hold the school’s concert in one of the best musical venues in the country?

SMALL ENOUGH TO CARE, LARGE ENOUGH TO CHALLENGE.
‘THEIR CREATIVITY IN ART, DANCE, DRAMA AND MUSIC IS OUTSTANDING.’
