Headteacher: Teresa Neary

February 2019

Dear Applicant,

Thank you for making enquiries about the position at Cherry Garden. It is a very exciting period in the life of the school having just moved into a state of the art building in Peckham. We are growing in size very quickly and as a result require more capacity within the leadership team to ensure we maintain the very high standards we set ourselves to achieve the best for the children.

The school is outward looking and we are continuing to forge lots of new links in our new Peckham community and a wider network of schools. We have also worked hard in developing our own assessment which has been adopted by 'Tapestry' and will be disseminated nationally next year.

I would strongly suggest you visit the school to see us in action. We have amazing children and staff who all love the new building.

I wish you all the best in your application and look forward to meeting you.

Yours Sincerely,

Teresa Neary
Headteacher
