

SCHOOL IMPROVEMENT PLAN 2019/20

STRIVING FOR EXCELLENCE

1. To drive forward the curriculum agenda in line with the new Ofsted Framework.
2. To ensure that English, Mathematics, Science and Geography achieve national expectation in progress and contribute to on or above the zero line for P8.
3. To ensure that subjects which contribute to the open bucket achieve national expectation in progress and contribute to on or above the zero line for P8.
4. To narrow the gap in attainment and progress for disadvantaged pupils (PP) to achieve in line with national averages.
5. To build forensic systems of data, across all curriculum areas, to inform progress at all levels.

CONCERN FOR THE WHOLE PERSON

1. To raise the overall attendance for the school, and in particular the attendance of groups of students who fall between 85-90%, so that overall absence and persistent absence (PA) falls in line with the national average.
2. To develop a robust programme of impact-driven literacy strategies across the curriculum.
3. To ensure management of extreme behaviour supports a positive climate for learning.

BUILDING A SCHOOL FOR THE COMMUNITY OF WINSFORD

1. To develop a strong marketing strategy to promote the school efficiently in order to maintain parental commitment and maintain pupil numbers in Year 7 to at least 70% of the primary feeder cohort.
2. To ensure that we sustain and improve a secure and effective financial regime.
