The offer includes an accommodation allowance which covers the cost of a 1- 3 bedroom apartment depending on the area in which you choose to live.

Our staff live in vibrant and culturally rich locations such as Coyoacan, La Condesa and closer to the school in Olivar de los Padres.

ACCOMMODATION

Staff choose where they live with the help of a buddy assigned by the school. Once an area of the city is chosen, the school will contract the accommodation for you and ensure that it has the basic furnishings and kitchen equipment needed for you to move straight into when you arrive.

Most accommodation options include 24-hour security and some options include amenities such as roof gardens, gyms and swimming pools.

Some staff choose to share accommodation so as to maximize their allowances. The school can support with this process when necessary.
