

# Beths Grammar School School Business Manager Recruitment Pack

Dear Applicant,

Thank you for your interest in this exciting and very important post.

Beths is an academic institution that fosters an ethos in which working hard and wanting to achieve are the norm: where it's cool to be clever and successful. This is as true for the staff as for the students. We are ambitious for the young people in our care and seek to help them secure the very best outcomes of which they are capable. As a selective school, the staff have the privilege of educating intellectually able young people; and the students have the privilege of being in classes in which progress in learning can be rapid, and subjects explored in real depth.

As a school, we are committed to being a world-class learning community that enables all young people to succeed. We aim to create young adults who are forward thinking, confident, motivated, competitive and are highly successful. They understand the purpose of becoming an independent learner and strive to become self-directed and comfortable with the unknown.

Central to everything we do is the culture of high expectation and aspirations. Students are encouraged to develop a love of learning and reading, to think for themselves and to maximise their full potential.

We are looking for an individual with real drive. Someone who is unafraid to tackle difficult issues, who knows what Outstanding looks like, and who, along with the rest of the team, is committed to working tirelessly to achieve it; someone with determination, resilience, humility and a sense of humour.

We are looking for a dynamic and innovative person, who is committed to providing an educational opportunity for all in a world class learning culture, who will support individual endeavour through high expectations, personal growth and development, whilst ensuring that exceptional achievement and excellence are embedded in all aspects of school life, and thus play a pivotal role in shaping the future of Beths Grammar School. The successful candidate will gain a wealth of experience from working across the school receiving support and guidance from the Headteacher and a very experienced Senior Leadership Team.

If you share our passion for students succeeding and our development of the 'whole student' and believe you have the skills to lead and inspire others, we very much look forward to hearing from you. I look forward to reading your application.

With best wishes,

RJBlyghton

Mr R J Blyghton Headteacher

#### **BACKGROUND INFORMATION**

Set in acres of pleasant grounds, Beths Grammar School is located within easy commuting distance of both central London and Kent, offering the advantages of a diverse and forward-thinking community within a haven of green space. The mainline railway station is less than ten minutes' walk away; while for road users, there is a junction on the A2 close by (two of the three school fields run alongside the A2). Many staff choose to live close to the school, or in neighbouring boroughs, and the borough of Bexley has a wealth of high performing schools

and good quality housing stock at competitive prices.

Beths is an academic institution that fosters an ethos in which working hard and wanting to achieve are the norm: where it's cool to be clever and successful. This is as true for the staff as for the students. We are ambitious for the young people in our care and seek to help them secure the very best outcomes of which they are capable. As a selective school, the staff have the privilege of educating and working with intellectually able young people; and the students have the privilege of being in an environment in which progress in learning can be rapid, and subjects explored in real depth.

While Beths is a traditional grammar school, it is geared for the twenty-first century. ICT is widely used and both students and staff are provided with their own electronic devices.

As well as being a beacon of academic pursuit and excellence, Beths Grammar School is renowned for its enviable co-curricular enrichment programme that, through sport, the arts, clubs and societies, nurtures the whole child. This is why many boys – and girls in the Sixth Form – want to come here; and it is also why so many parents are pleased to send their children to Beths. Emphasis is placed on developing leadership skills, best exemplified by the work of the prefect teams, but also through opportunities lower down the school such as our thriving School Council. We believe our students are our best ambassadors. We value our students collectively and individually and acknowledge – and celebrate the fact – that they are all different.

The school moved to its present site in 1961 and has the benefit of extensive playing fields. The original buildings have been significantly added to, including a major programme completed in 2000 which includes a superb sports hall. In 2003 we opened a new ICT facility, in 2005 a Science Centre, a Language Laboratory, in 2009 a new suite of five Language Teaching Rooms was built and in 2025 a new Sixth Form Centre was opened. Further capital projects since then have included major refurbishment of the Staffroom, Design & Technology and Performing Arts.

Beths is committed to staff development. We have a strong CPD programme based on the principle of 'expertise from within'. Staff at all career stages have opportunities to lead training and we are as keen to develop the leadership skills of our members of staff as we are those of our students.

Our students achieve highly in Year 11 and the Sixth Form; but we are not complacent. At Beths we are determined to deliver the very best to our students – and we seek to recruit like-minded,

outstanding practitioners who also want to give the wonderful young people who study here the world-class education they deserve.
