|
DIPONT INDEPENDENT SCHOOLS

“At Dipont Huayao Collegiate School in Kunshan, we integrate the depth and discipline of Chinese education with the curiosity and creativity championed in Western traditions. Our whole-school approach to whole-child education emphasizes mastery alongside wellbeing, resilience, and self-discovery. This fusion creates a learning environment where scholars and teachers think critically, act ethically, and innovate with purpose. We are a school where rigor meets imagination, tradition inspires transformation, and present curiosity builds a better future.

About Dipont

Dipont Education is at the forefront of changing the way education is thought about and delivered in China. Driven by its mission to provide quality education that equips young people for success, Dipont has been a pioneer in the development and localization of international education since the 1990s.

Years of exploration, partnered with experimentation, have given Dipont a rich insight into China's K-12 educational landscape, and a unique and innovative approach.

Through establishing and managing schools with elite Chinese and international partners, Dipont has built a strong reputation for its ability to balance eastern and western educational philosophies.

In the years to come, Dipont will continue to offer quality international programs, engage partners and stakeholders in meaningful dialogue about education, and ultimately, drive positive changes in China's K-12 sector.

Dare to seek and soar beyond

The mission of Dipont Huayao Collegiate School Kunshan is to build a school focused on empowering scholars to thrive in a rapidly changing economic and social environment. We nurture and challenge our scholars to become competent for the work that is yet to be created, to apply the technology that is yet to be invented and to solve social problems yet to be imagined.

Learning with Huayao truly is a process. Each stage of education prepares the scholar for the next, from preschool through grade 12 and on to college. Scholars who spend their school life with us benefit from the continual and consistent support that only a progressive curriculum can provide.

Our employees play a crucial part in creating an outstanding school. Dipont Huayao Collegiate School's unique structure and commitment to excellence, inside and outside of the classroom, represent a fantastic opportunity for ambitious and highly motivated individuals to further their careers.

We are building a diverse, enthusiastic and highly supportive community of staff who are committed to academic excellence and to creating opportunities for scholars to take charge of their learning.

Our staff should embody the same high standards and dispositions we expect our graduates to model. Every educator will be expected to contribute actively to the whole life of the school, working with scholars beyond the classroom in advisory, co-curricular and residential programs.

- **Preschool:** Bilingual curriculum based on Chinese and international curricula
- **Elementary School:** Chinese National Curriculum, American Common Core
- **Middle School:** Chinese National Curriculum, Pre-AP Curriculum
- **Upper School:** Specialized honors and AP classes

World-class learning environments

An unmatched variety of co-curricular activities

Our schools offer hundreds of co-curricular activities every week. Co-curricular activities are an integral part of the educational development of every child attending a Dipont school. The skills they learn outside the classroom through teamwork, problem solving, performing and physical activities ensure they are developing vital 21st century skills: critical thinking, creativity, collaboration, communication which are required for success in a rapidly changing, digital society where the application of knowledge becomes more important than its acquisition.

Who are we looking for?

We are seeking to appoint highly talented individuals in all areas of expertise who can share in our ethos, enjoy working collaboratively and cross-culturally and have the passion to contribute to the development of an outstanding school.

You will need a formal teaching qualification, excellent classroom practice and well-developed subject knowledge.
