Churston Ferrers Grammar School is a high performing selective school with a long standing reputation for exceptional pastoral care and personal development. Academic standards are high, both in terms of attainment and progress, and the school is recognised for its innovative and inclusive classroom practice.

The school is well known in the local area for its distinctive family feel, backed up by exceptionally strong pastoral care, which ensures that all students feel able to do their very best academically. This emphasis on student welfare is underpinned by a wide range of extra-curricular activities to build confidence and self-esteem.

We are hoping to appoint a Headteacher that has the vision to lead the school in a new direction, whilst also having the wisdom to recognise and maintain the current strengths of the school.

Please get in touch with us if you would like a prospectus and an application pack, or to arrange to visit the school.
